

The Gazette

VOL. 16 NO. 46 St. Albert & Sturgeon

CARRIER - 104
NEWSTAND - 154

Wednesday, November 19, 1975.

Staff members of Sturgeon General Hospital who have been there five years or more were presented with service pins after a dinner last Friday at the Steak Loft in Edmonton. Representatives of the hospital's departments discussing their five-year service awards are: Jean-Paul Bouchard, left, chief engineer; John de Bruijn, board of directors chairman; Violet Alexander of the central supply room; Mary Edwards, superintendent of admitting; Eleanor Smoley, director of medical records; Kay Butler, director of housekeeping; Micheline Bouchard, chief dietitian; Russell MacQueen, director of radiology. Story on Page 7

Smith lone voice against city

Councillor Margaret Smith still stuck out alone against St. Albert going for city status in principle at the regular meeting of town council last Monday night.

There was support for the eventual move to St. Albert becoming a city, with one or two reservations from around council chambers, to slightly dampen the feeling of overwhelming support for city status.

Mayor Dick Plain said that St. Albert had been sticking its head for too long in the sand; it was de facto a city and no longer a village in an

urban setting the mayor added.

When Councillor Rod Thronson suggested there should be a public hearing on city status, that townspeople should be given the chance to talk on this important move. Mayor Plain seemed to express a form of opposition to this, but admitting that council could set such a hearing on an if and when it was necessary basis. He felt that for the moment there was no need for a special public hearing on the topic.

The mayor had all the

Chamber brief for town seat

The St. Albert and District Chamber of Commerce only just managed to give its approval to an Electoral Boundaries Commission brief last Wednesday in a move to have St. Albert as a separate urban seat, with Sturgeon as a possible new rural seat.

And of the 20 odd businessmen who turned up for the regular monthly meeting of the Chamber at the Club Mocambo only nine

took time out for the vote.

A motion brought in by Chamber member Ray Gibbon that he prepare a brief to the boundaries commission on the basis of a separate seat for St. Albert was carried live to four after an earlier vote on the motion was tied 4-4.

Based on past and future population trends for St. Albert, Chamber member Ray Gibbon felt there was some justification in prepar-

ing the brief so that the boundaries act could be amended to increase the number of seats in the Legislature.

After the meeting Mr. Gibbon said it made more sense to have two MLAs than one. He also felt that if St. Albert did become a separate electoral unit, Sturgeon would be able to stand on its own two feet, emerging as a separate rural constituency.

In figures quoted to the

Chamber meeting Mr. Gibbon pointed out that according to June 1975 figures there were 12,179 eligible voters in St. Albert. By next election time in 1979, St. Albert would likely have exceeded this figure, part of the increase coming from Federal legislation which will reduce the waiting period for Canadian Citizenship from five to three years.

Dr. Bill Cuts expressed anxiety over the proposed brief to the boundaries commission. He wanted to know how the Chamber would be affected if St. Albert became an urban seat in its own right. The Chamber, because of its title, the St. Albert and District Chamber of Commerce automatically takes in the rural people.

At present there are about 9-10,000 in the MD of Sturgeon though not all of these can vote.

A spokesman for the MD of Sturgeon was unable to give a figure on the electoral role for the MD when informed of the proposed Chamber brief to the boundaries commission.

Chamber member Gerry Belke said he felt that some rural people might feel that "we are not ready for a division of the MD of Sturgeon and St. Albert and we'd like to stay out of it right now."

But the point that Mr. Gibbon made was that he wanted more representation and less discrepancies. Averages necessary for an urban seat he said were 15,579 and rural 9006. He illustrated there were discrepancies by citing the example of Oyen constitu-

Publisher Ernie Jamison looks at one of the wires of cuts made in the wiring system of the heading equipment during a break-in at the Gazette office Saturday night.

Rec complex letter more than received

It looks as if two St. Albert residents will get all the information they need on the proposed \$5.3 million recreation complex slated for the town.

At the regular council meeting of St. Albert last

Monday night council moved that a letter from Donna and Rodger Iddings be more than the mammoth recreation complex and requested that council get the answers out in time for publication of this week's Gazette.

Fate however dealt a cruel

blow to the Gazette early last Sunday morning when the premises were severely vandalized with much equipment being either lost or damaged.

Councillor Rod Thronson pointed this out in an aside to his council companions saying the "Gazette may not be out Wednesday but that's another story."

After a period of discussion council finally moved that the St. Albert couple be given the information they requested with the option that they pass the town's reply on to the Gazette.

Councillor Myrna Fyfe thought that giving full answers to the 20 questions on such a tight deadline was not fair to council even though she fully supported the move to give the two St. Albert residents a complete reply.

Councillor Margaret Smith said that she would like to

St. Albert - separate urban seat?

At its regular council meeting Monday night St. Albert moved that a submission be made to the Electoral Boundaries Commission for a separate urban seat in the Legislature based on figures presented by Mayor Dick Plain.

Mayor Plain demonstrated that the planners had projected over 18,771 St. Albert residents 18 and over would be ready to vote by 1979. On

that basis he added St. Albert would slightly exceed the average for the urban electoral population, following the provincial government's move to increase the number of Legislature seats from 75-79, (43 urban and 36 rural).

St. Albert has till December 15 to get in its application to the Boundaries Commission; the deadline had been

Please Turn to Page 2

Please Turn to Page 2

Rec Complex letter

Cont'd from Page 1

see the answers prepared "tomorrow" (November 18) as she felt people would be interested in the replies in the Gazette. She added that St. Albert should use the means which was available.

While Mayor Dick Plain wanted the letter answered accurately and "not let pass," he later expressed some reservation about residents contacting the town in the manner of the Iddings as he did not want the town drawn into writing for the Gazette. He was all in favour however of St. Albert residents getting in touch with their local municipal civil servants on town problems.

He pointed out that - with reference to the recreation complex the problem had already been discussed "ad nauseam" and the whole issue had been displayed in the Grandin Shopping Mall.

Not long after this the mayor and Councillor Rod Thronson got into a little hassle over whether Coun. Thronson had been contacted by the Iddings or other St. Albert residents on the recreation complex issue.

"I've been contacted on some of these questions," said Coun. Thronson to which the mayor chipped in, "My sole point was were you approached by the Iddings."

chamber brief

Cont'd from Page 1

uency which is down to about 5,000 voters. He said that "we could do with more than the 43 urban seats prescribed under the act."

The brief from the St. Albert and District Chamber will likely get to the boundaries commission by December 15. Mr. Gibbon will likely spearhead the content

of the brief putting into it what he feels will meet with the Chamber's approval.

Chamber president Garry Hodgins said that the brief must come back to the Chamber for approval and must have his own signature before it goes to the commission.

separate seat

Cont'd from Page 1

extended by the provincial government because of the mail strike.

Mayor Plain illustrated that by 1979, the average riding in the province would have 17,535 with a 25 per cent variance of 21,918 and 13,151 at either extreme.

At last census in June 1975 St. Albert's total population

was 21,343 and 12,179 of these were eligible to vote.

If the Commission takes note of the possible growth patterns projected for St. Albert, the town could have its own urban seat, thus creating the necessity for another separate rural seat for people in the MD of Sturgeon.

city status

Cont'd from Page 1

support in the world for the city status motion which was first aired at a committee of the whole meeting a week ago.

Coun. Thronson was mainly doubtful that St. Albert would benefit financially if it became a city but he was in favour of adopting the motion in principle. But he thought that simply changing status was a bad way to get heard and there were other places bigger than St. Albert which deserved to get heard. (eg. Sherwood Park).

Councillor Myrna Fyfe said after talking with various townspeople she got the impression that as long as St. Albert did not lose its identity, it did not matter what the town was called - a city or otherwise.

She said she saw St. Albert coming of age and its credibility in attracting industry would increase; it would be fool-hardy not to adopt the motion.

Councillor Frank Lukay said that more people would be able to give their services to municipal affairs if the town expanded to a city. That might increase costs but that was necessary for better government. He didn't think that just becoming a city

would mean that St. Albert would grow.

Contrary to this Councillor Barry Breadner, in favour of city status for the "intangibles" to gain, did feel there was a danger of creating an image whereby the town might get larger.

Coun. Smith said that she hoped that St. Albert was not aspiring to the 100,000 mark and did not think that the big city type programs would fall into St. Albert's lap as they did to places like Edmonton and Calgary. She referred specifically to arterial road programs.

She felt that what St. Albert needed was an educational process which would inform the senior levels of government of St. Albert's problems and its potential.

Mayor Plain reiterated that the net benefits of city status would be favourable and without it, improvement programs would dump millions on to residents taxes with house prices being way out already.

The mayor quoted a figure of about 55,000 in terms of the new city's population by the turn of the century with the benefits of high quality development.

Gazette suffers malicious break-in

A break-in at the Gazette offices on Perron street, sometime after 11 p.m., Saturday, resulted in the theft or vandalism of only those pieces of equipment or work in progress directly related to the actual produc-

tion of the newspaper.

Most serious was the cutting of wires in the intricate copy-setting and headliner machines installed only a year ago. No cash was taken. Three or four IBM Selectrix typewriters were stolen, but two used stan-

dards were left. All of the dark room equipment was also stolen and developing chemicals were spilled over floors, carpets, desks and telephones.

Copy prepared for setting and some layout sheets in progress were torn up.

Following a radio broadcast over CJCA Sunday and Edmonton Journal report Monday offers of help poured in, without which it would have been impossible to get the paper out this week.

Neighbouring weekly newspapers volunteered to do all the setting and make-up in their plants, despite the fact that most have the same publishing day as the Gazette. These included the President of the Alberta Weekly Newspaper's Association at the Leduc Representative, The Fort Saskatchewan Record, Stony Plain Reporter, Edson Leader and Athabasca Echo.

Grant MacEwan College offered their copy-setting machines, which offer was accepted. The Edmonton Journal processed the pictures, and even delivered the prints. Addressograph-Multigraph offered their type-setting equipment; Leo's Business Machines in Bonaventure offered no charge typewriters, and Puckerin's Production House volunteered use of their setting equipment.

An officer of the St. Albert RCMP - and an I.D. expert from K Division were on the scene minutes after the break-in was discovered at 10 a.m. Sunday by Duff Jamison, arriving for a hockey meeting. Ed Tremper of New Holland Farm Equipment arrived first for the commercial team meeting and, discovering the front door open, waited on 'side until Duff and Bob Jamison arrived. (The door can be unlocked from the inside and it appears the crooks gained entry through a window at the rear of the building, which was broken).

The Mounties spent considerable time at the Gazette Sunday, beginning an intensive investigation which it is hoped will turn up the

culprits.

Ernie and Shirley Jamison are also deeply indebted to a loyal and hard-working staff, who have worked many extra hours under trying conditions this week. Their attitude that "nothing is going to stop us from getting the paper out Wednesday" has brought home once again how much we owe to the 13 local people who work at the Gazette.

There are also 10 loyal staff members in the surrounding rural areas who have been co-operating in many ways as the Gazette, like all other small businesses copes with the postal strike.

The Jamisons and all of the staff would like to say how kind it was of the many residents who telephoned or dropped in to express their sympathy and encouragement, and expressed their outrage at this incident, and how much it meant to all of us.

District 6 says no to Town conditions

Trustees of the St. Albert Protestant Separate School District No. 6 disagreed with two of the conditions of approval for the Paul Kane High School addition laid down by the Town of St. Albert. The conditions relate to sharing costs of a fire hydrant and a student parking lot.

The conditions which caused concern at the regular board meeting of Wednesday November 12 read as follows. "That the School Board contribute one-half the cost of locating a fire hydrant on

the property line between Fountain Park and the school property to service the school extension," and "That the School Board contribute one-third the cost of paving the parking lot to the north of the proposed school extension which serves as a student vehicle parking area."

Chairman Bill Webber moved that the need for additional fire protection be investigated and that if a need exists, the district invest in an outside outlet on the extension. The motion

was carried.

In connection with the parking lot, trustees agreed that it has never been the practice of the district to provide for student parking.

BACM DEVELOPMENT DISCUSSED

The Stage 9 Development in Lacombe Park and the off-site charges for a new school site was another issue raised at the meeting. Negotiations between the district and BACM in connection with off-site charges have been in progress.

Trustee Dr. W. Cuts expounded the view that new developments should stand on their own feet. He felt that they should not need subsidizing by older established areas of the town. The development of new residential areas caused the need for new schools and the developer has a responsibility in this matter.

Trustee Don Munro moved that the district write to BACM to request that no off-site charges be levied for the Stage 9 site and the motion was carried.

RON HARVEY SCHOOL TO OPEN

In response to questions from trustees, Superintendent Elmer Gish informed the board that the official opening of the Ronald Harvey School will take place some time before Christmas.

SCHOOL BOOK RESOLUTION APPROVED

The board approved a

resolution to be submitted to the Department of Education and the Alberta School Trustees Association concerning rebates on school text books.

The resolution called for the 15 per cent rebate, which is given to publishers for textbooks sold to the School Book Branch, to be paid directly to those school juris-

dictions which produce their own board-approved textbooks in lieu of those produced commercially.

EDUCATION MEETING

Trustee Munro, education committee chairman, announced that the next education meeting will be held on Wednesday, November 19

and that Mrs. Joan Gaunce will be at the meeting. Mrs. Gaunce has recently been appointed by the town as community school co-ordinator.

At the same meeting, Assistant Superintendent Bob Prather will brief the board on the recent conference he attended on the Community School Concept.

Legion ladies to hold Tea

The members of the Legion Auxiliary have built up a reputation for staging highly successful tea and bazaar events in the pre-Christmas and spring seasons, which is perhaps mainly due to the friendly atmosphere created, plus careful planning.

The fall event, being held on Sunday, November 30 at the Legion Hall is the second annual pre-Christmas tea, convened this year by Polly Swenarchuk. If Santa is here early enough he will be asked to open it.

Kay Rossiter, district commander will be a special guest, along with representatives from neighbouring Legion Auxiliaries, the Hospital Auxiliary, local women's clubs and the Senior Citizens Club, who will have the honour of pouring.

President of the Legion Auxiliary, Marie Eschak, promises a terrific door prize and some interesting items on the bazaar tables. There will be home baking including Christmas cakes, for

busy people, a White Elephant table and a door prize.

Men are of course welcome also and they always show up in fair numbers, not too common at teas. A number of Legion members come around and later lend a hand with the clean up.

Funds from the tea will eventually be presented to the St. Albert Branch of the Legion, and at the recent Legion banquet and ball the Ladies Auxiliary presented a cheque for \$1,500, earmarked for a furnishings fund for the new Legion Hall.

Petition on Complex

Following publication of their 20 questions to Town Council on the multi-purpose cultural recreation complex planned for St. Albert, Roger and Donna Iddings were approached by residents interested in petitioning for a vote on the money bylaw of 1-0 million, eight hundred and fifty-five thousand dollars to be borrowed.

Mr. Iddings informed the Gazette yesterday that he has decided to proceed and

will be holding a meeting at his home shortly for those interested. Eight volunteers had offered their services as canvassers by Tuesday morning, he reported.

Anyone interested may telephone the Iddings at 459-3747.

A petition would be required to be given to the municipal secretary within 15 days of the last publication of the notice advertising the money bylaw which is November 19th.

Co-ordinator Ester Mathews plans to open a Montessori school in St. Albert in early January, and enquiries may be directed to her at

459-7655. A meeting towards the end of November will be held for interested parents, with pre-registration.

PUBLIC MEETING

The Town of St. Albert is currently carrying out a comprehensive transportation study to establish existing and future transportation requirements both for the town and the corridor between Edmonton and St. Albert. Some of the major areas under investigation include road networks, public transit, truck routes, pedestrian walkways, cycle paths and the impact of future developments.

To date the study has completed data collection and processing, analysed existing transportation systems, and has developed inconjunction with the Town Planning Department and the Edmonton Regional Planning Commission several land use alternatives. A necessary part of this study is the dissemination of this information to the general public for opinion and response. Based on this response, established land use alternatives will be used to determine future trip generations and distribution.

Presentations by the Study's consultants will include slides and maps outlining current ideas. Representatives of the Steering Committee will also be present to answer any questions individuals may have concerning the Transportation Study.

Multi-purpose cultural and recreation complex

The planning, public input and other consultative processes which have been carried out in the process of preparing the final form of the St. Albert multi-purpose cultural and recreational centre have involved members of the Parks and Recreation Board, the Town Council, the Municipal Service, community user groups, an architectural firm, representatives of the Provincial Civil Service and the Minister of Parks, Recreation and Wildlife. This involvement has occurred throughout a time frame stretching from January, 1975 to November, 1975 - approximately 10 months.

It is felt that the final set of plans that have been approved for the recreational and cultural complex meets the basic needs and highest overall priorities of the residents of St. Albert, given our budgetary limitations.

FINANCES

The estimated cost of the

facilities is \$5.3M. The net amount of the capital costs of the project to be financed via the property tax, amounts to \$2.855 Million after the Provincial Grant and other revenue sources are deducted. Given an average residential assessment of \$8,000, the estimated payment for amortization of principle and interest in 1977 (the year in which the project is completed) amounts to approximately \$31.00 per residence or \$2.58 per month per residence. The burden of this capital repayment will decrease as the general assessment of the community increases due to the growth in the amount of commercial and industrial investment and new residential accommodations in St. Albert.

The deficits arising from the operation of the facility is estimated at \$144,000/year. In 1977, this would amount to a levy of approximately \$2.09 mills on each residence or approximately \$16.72 per year on the average. In total, the capital plus the operating

cost deficit would amount to an average outlay of approximately \$47.72 per residence per year. It is submitted that this annual levy coupled with the nominal fees that will be levied to participate in the various programs is well within the budgetary means of various households in St. Albert.

It is imperative that the project is proceeded with as expeditiously as possible. The delays that were experienced in receiving approvals from the provincial government has negated the possibility of commencing construction this fall. This has cost our community hundreds of thousands of dollars in higher inflationary costs. Our consultants have indicated that if we do not experience anymore delays of this nature that we shall, under the present scheduling, be able to complete the project within the \$5.3M estimate.

In closing, it is suggested by acting together as a community that we are able

to provide cultural and recreational facilities and services of a calibre and quantity to all citizens that only a limited number of residents would be able to afford if they were left to their own devices. Clearly, there is a trade-off between community provision and the individual citizen's responsibility for providing his or her own cultural and recreational services. It is submitted that an appraisal of the deficiencies in the existing levels of services offered in our community indicates that the proposed complex clearly falls within the area where collective action is required. In effect, given the standards and values of our present day modern society, this type of public investment is a "sine qua non" for establishing a high quality of residential living within an urban environment.

R. H. M. Plain.

to the Editor

Thoughtful Legionnaires

The thoughtfulness of the Canadian Legion, St. Albert Branch #271, in their outstanding activities, is commendable in many ways; such as organizing celebration of "Remembrance Day" and parade to the Cenotaph, which is being appreciated by all friends of the two world war veterans. But, also, in remembering older veterans who are not too far from those at the Cenotaph, but still alive in the community. This is how, in their search for possible isolated "Comrades" Rudy Schribar, service officer; Olly Kendel, 2nd vice-president; Reg Bremner, president, and Wally Swenarchuk, sec.-treasurer.

Through "The Gazette," discovered that there was one veteran of the two world wars, and his wife, both patients in Youville Nursing Home, St. Albert. They decided to visit the couple and that is how they knocked at our door; early in the afternoon, last Nov. 11th, introduced themselves and presented us with a copy of the Remembrance Day pro-

gram. "It was quite a surprise for us." However, this friendly call ended with a cordial invitation to join them for a "get-together" in the local Legion Hall. This was heartily accepted and we went. Arriving at the Legion Hall I met with such a warm reception that it made me feel as if I had always known this cheerful gathering. Refreshments, and appropriate music and well known songs were part of this happy reunion. Everyone being nice to you made me feel 10 years younger and that I was "still one of them." These happy moments left, deep in my heart, a sense of gratitude beyond all expression and of course, will remain "forever." Then, at my request, they gracefully took me back to Youville Home and I was thinking in myself, "How nice can you be." Thank you Comrades, and on behalf of both of us thanks to all those who contributed to make this movable event an unforgettable souvenir in our hearts.

Mr. and Mrs. J. A. Therrien.

Pitch & Spice draws large crowd

Does God have rock and roll?

Listening to the Pitch group do the song 'God Loves Rock and Roll' on the Pitch and Spice 'Songfest' program last week one thought that He well might.

The senior members of the two choirs presenting the concert in the Jubilee Auditorium on the evening of November 11th were clearly enjoying themselves immensely doing that number, and surely God loves to see his children joyful.

Welcoming the large crowd which filled the lower floor and spilled over into the balcony, Director Father Duchesneau said the audience made the evening a great moment for the young people who needed hope and faith in life and in people. They will sing not as experts, he said but with joy in their hearts.

Spice led off the program with 13 numbers accompanied by the Spice musicians on drums, organ, piano, tambourines, clarinettes and guitars. From our place in the first row centre balcony there were some problems of acoustics which were better on the main floor. It was difficult to hear the words and at times the musicians seemed to overpower the singers. Careful attention was paid to rhythm throughout by both groups and the director gets a fine appreciation of tempo from his singers and musicians as well, making the entire concert flow well.

The Battle of New Orleans was done with exuberance and rocking-rhythm, one of the highlights of the Spice section. To Sir With Love was enjoyable with a fine ending and we also particularly liked Sunshine on My

Shoulders and "It's a Small World." The young group, some performing for the first time in such a large auditorium deserve much credit for their pleasing performance.

The more experienced Pitch group came through stronger, both the soloists and the group. They use drums, trumpet, organ, piano, flute and guitars for back-up, and undoubtedly their extra experience with mikes made part of the difference. The 19 numbers presented were well balanced for a delightful variety, some drawing in the audience, and the trumpet and flute solo parts were especially pleasing.

cially pleasing.

A spiritual feeling came through well in Dear Father/Be with the slower tempo well sustained. Double EE was thoroughly delightful with a real entertainer taking the lead, and 409 was a great number with a nicely controlled ending. An unaccompanied number showed off the good diction of the singers and every word could be heard. Sing Low, Sweet Chariot was an original arrangement well suited to the choir, with some fine flute work and good solo lead. The numbers in French were lively and well received, and in fact all the songs drew enthusiastic ap-

plause. Both choirs did O'Canada The Beautiful to close the concert, an appropriate choice.

Presentations were made to the director, including a model of a duck, which it must be confessed did put one in mind of Father's hairstyle. The technical crew, visual technicians and art designer were also brought on stage before everyone left the stage to a waltz by the musicians.

After such a thoroughly enjoyable evening we look forward to the next production of this enterprising group with their modern harmonizing and zestful style.

Pitch singers giving out during the production of Songfest at the Jubilee Auditorium last week. In all about 260 singers and musicians took part.

Hockey fights

Last Friday my two sons came home from school as excited as only children can get with free tickets to the hockey game at the St. Albert Arena. Evening came and off we went to the game. They cheered and clapped through the first period and thought it was just great.

However, by the time the third period was half over they were scared stiff and many other children I saw were crying and frightened, and wondering what was going on. The reason - a continuous series of fights that eventually erupted into the stands with one player at least climbing right over the penalty box screen. I couldn't see all that happened and I don't know exactly what was said to whom or by whom. However I do have a few points to make. As a parent I try to get two points across to my children. First of all, fair play and good sportsmanship - building blocks to a responsible and reasoning adult. Responsibility for your actions and the consequences that follow is another.

Last night - players and fans alike belonged to the adult society - supposedly capable of driving a car,

owning and using a gun, open access to liquor and believed able to responsibly handle these privileges. I wonder!! At the least provocation in the middle of a so called "game" all our discretion and commonsense are shed at the door like a coat and from there on in anything goes. Personally I can't see how it could possibly be called fun.

Last of all is something called consideration for the other guy. Everyday I hear of someone somewhere proclaiming loudly to the world that "I have my rights!" Be it sports, wages, women's lib, gun laws, or capital punishment and on and on. Wouldn't it be a change if we each took the time to think about the other fellows rights instead of our own and showed a bit of understanding.

Whether we like it or not, we, as adults, are the heroes our children pattern themselves after. With incidents like these becoming commonplace in our daily lives I really wonder what sort of a job we are doing.

Donna R. Krushell,
Sturgeon Heights.

AROUND TOWN

It appears St. Albert is to have another paper which will be delivered free of charge to all householders in town. The Gazette has been informed that a principle of the Westlock Hub, also a free circulation journal, has opened an office in the St. Albert Tire premises.

** ** *

About 45 friends of Mel Knutson gathered at the home of Don and Darlene Clark last Saturday evening to wish Mel good luck before he left on a trip to Australia. Mel was presented with some gifts, cards and a Bon Voyage cake. He left Sunday for Vancouver and will fly to Sydney, Australia on December 3rd.

** ** *

Council Briets

Following are some of the highlights from the regular meeting of St. Albert town council last Monday night. Mayor Dick Plain was in the chair with all councillors present.

MAYOR DICK PLAIN informed council that as far as he knew the no-parking sign was now installed on Bishop Street.

COUNCIL CARRIED a motion approving the Ball Estate development subject to the conditions in a memorandum of November 6 and subject to the linen being

approved after the Ball Estate design brief has been completed.

COUNCIL AWARDED a contract for the Sir Winston Churchill Municipal Buildings worth \$761,000 to Harsim Construction Ltd.

They came up with the lowest tender among three other companies, Cavan Construction at \$798,800, Graham Construction at \$849,802 and Bennett White and Western Ltd., at \$778,744.

COUNCIL PASSED bylaws 34/75 and -35/75 for the

development and off-site costs of land owned by Fidelity Management and Delta Mortgage in St. Albert. The land is up for residential development by these two firms.

COUNCILLOR BARRY BREADNER has been appointed Deputy Mayor for December 1975 and January

Lady Lions try weaving

The monthly meeting of the St. Albert Lady Lions was held on Monday, November 10th with a dessert party at the home of Elsie Snider.

Following the reading of the minutes by Secretary Ronnie Jeffrey plans were made for a Christmas party and pot luck supper which will take place at Kay Rutherford's, 47 Stanley Drive on December 8th at 6:30 p.m.

Millie Boyd introduced Betty Thronson who gave a demonstration of primitive weaving, and everyone gave it a try. It looks like a really fun thing to do.

One new member, Mrs. Bev. Gauthier was welcomed to the club. The evening concluded with the serving of a delicious dessert and coffee.

The next executive meeting will be at Ronnie Jeffrey's, 46 Greenfield Estates commencing at 7:30 on November 24th.

1976.

ST. ALBERT WILL pay the 1975 levy of \$8,500 to the Sturgeon Foundation. However council also carried motions stating that payments for 1976 will not be forthcoming unless reforms in financial formulas are carried out. Another motion carried was that St. Albert work with other municipalities in restructuring provincial government rate setting policies.

COUNCIL APPROVED CONSTRUCTION of a temporary roadwalk on Gervais Road costing \$1,248.56. Although this had not been budgeted for 1975 and Mayor Dick Plain felt that it should be included in the 1976 budget, Rod Thronson suggested that "we can find

the \$1,200." And Councillor Myrna Fyfe chipped in that compared to the safety of a child's life, the (walk) would be worth more than \$1,248. Apparently construction of the walk was approved by council 11 months ago. The approval for the walk was given with Mayor Plain registering the lone opposed vote.

COUNCIL MOVED construction of the \$292,251 Fountain Park Municipal Building. Day care facilities will be a feature of the building which Councillor Barry Breadner feels is badly needed.

COUNCILLOR MARGARET SMITH prodded council on getting in touch with 40 odd mortgage companies and their representatives in Ed-

monton on the question of the large increases in payments felt by certain St. Albert residents. Mayor Dick Plain says the matter will be dealt with at next council meeting. The matter was brought up briefly during question and answer period.

COUN. SMITH was assured that the town is carrying out much research on having its own ambulance facility and a report on progress is being prepared by the town administrator Bob Byron.

MAYOR DICK PLAIN expressed anxiety over the Federal Government's intention to cut back on police force expenditure. He pointed out that he may phone the Solicitor General on the rationale for the Federal move.

Lane access

St. Albert gave a promise last Monday night that there would be public access in a lane splitting a residential development of a 21, 27 suite apartment and fourplex unit by Fidelity Management of Edmonton Ltd.

The development is taking place across from Granite Avenue near the Westwood Apartments owned by St. Albert resident Derek Browne.

Mr. Browne told council at its regular meeting last Monday night that he favoured the development but that the lane in question was already effectively closed by a 15 foot mound of earth.

However, when council dealt with bylaw 29/75 for the lane closure it was moved with approval contingent on

public access to the lane being written into the easement agreement. The bylaw has been given first reading by town council.

Mr. Browne expressed the hope that once the new development was accomplished there would be no sewer or flood backup. He said that he was placing his trust in the town's engineers. Mr. Browne received the assurance of the town that the design specifications were within normal parameters.

Earlier he had expressed the reservation that the introduction of the bylaw was a "shabby tactic to get over the town's own density bylaws" and that the site was in a state of overdevelopment.

Amateur night a great success

About 300 people crammed into the St. Albert Community Hall last Friday night for St. Albert's first ever amateur night sponsored by the St. Albert and District Chamber of Commerce.

The people thrilled to the witty repartee of emcee Robert Hudson, who pretended that he was nervous but really wasn't.

But the honours of the night went of course to the 27 performers as well as a 70 strong choral group of grades four to six students from the Leo Nickerson School.

The night's entertainment was organized by Frank Scott of Scott Rentals who has had some experience in the entertainment game before coming to St. Albert.

There were three categories of performers, group, playing and singing and winners of each group were awarded first, second and third prizes of \$15., \$10., and \$5. for their efforts.

Winners of the first group prize were the 70 strong chorus from the Leo Nickerson School. The second prize in this category was won by Darrauld and Randy Sam, Marion Clayton, Chris Dedlin, Ryan Olynk, John White and Debra Davey for group guitar playing. Third prize in the group guitar playing category was won by Laura Mucha, Irene Radvany, Suanna Palmer, Laura Birgil, Torina White and Susan Obradodick.

Ted Dykstra, 14, took the honours in piano playing, with 13 year old Monica Verhagen winning second prize for some excellent flute playing. Twelve year old Donita Rokosh got third prize for a fine effort on the accordion.

There were some memorable voices in the singing category.

Winning first prize was Clarke MacIntosh with a jaunty Scottish medley, "the Far Cullins," beating his 19 year old sister Beth into second place for her efforts at some Italian arias which were sweetly sung but lacked volume.

Surprisingly, a last minute entry from Martha Shuhart and Mary Lou Lukay took third prize in this category with "When I'm high when I'm low." This duo beat the promising duet of Sany and Bonnie Malloy into an honorary mention and an automatic appearance at the final show of the amateur talent series in March of next year.

Special mention must be made of Mr. Hudson who made one really wisecrack during his fine emceeing. That crack was an imitation of a concerned Mayor Dick Plain trying to repel an invasion of the sewer line by Morinville, followed by another imitation of Premier Peter Lougheed's reaction to some Arabs erecting oil derricks in Alberta; and finally one of Prime Minister Pierre Trudeau complaining that the price of pork was going up.

Judges of the contest were local singing teachers Frances Schuchard and Terry Winttingham and Camillo Mras, owner and manager of the Clarence Ploof Guitar Centre in Edmonton.

If the entire series of four concerts goes well, proceeds will go to cover not only prize money and other expenses, but worthy Chamber of Commerce projects.

Next amateur night in St. Albert will take place January 16 with another February 20 and the last one March 19.

All those who won prizes Friday night will gain automatic entry in the final show. Mr. Scott says he is looking for more entries for the second and third shows. These could be full so get your entries in early.

Hospital Auxiliary presents cheque

Mr. Cliff Keyes, administrator of the Sturgeon General Hospital accepted a cheque for \$2,800 from Mrs. Mary Bondarevich, hospital auxiliary president for 1974.

The cheque was received at an auxiliary meeting held on November 10.

The funds raised by the auxiliary will be put towards the purchase of equipment for a badly-needed second

case room. In accepting the cheque, Mr. Keyes commended the members of the auxiliary for their energy and efforts over the past years. He also spoke on the importance of the many ways auxiliary members help in the hospital with emphasis on the time that is spent working in the paediatric ward on play therapy.

Mrs. Donna Berry, head nurse of Paediatrics, was also present at the meeting and she gave a brief talk on play therapy. She explained that being in hospital was a difficult time for children and that play was needed. It helped them emotionally and therefore aided recovery.

This year the auxiliary executive plan a drive to increase membership.

Clifford Keyes, administrator of Sturgeon General Hospital, is holding cheques given him Monday, November 10 by the Hospital Auxiliary. Mary Bondarevich, 1974-75 president, left, presented a \$1,800 cheque, which is the sum raised through auxiliary functions. Marg Jones and Jean Varner presented a \$1,000 cheque from profits of the Auxiliary gift shop.

Hospital staff honoured for 5 years service

"The longer one serves a hospital, the more cohesive and efficient its operation becomes," said John de Bruijn, board of directors chairman. He made the complimentary remark last Friday to staff members of Sturgeon General Hospital who have been there five years or more. After a dinner at the Steak Loft in Edmonton, 25 staff members were acknowledged as five-year veterans and presented with service pin awards.

Chief engineer Jean-Paul Bouchard pointed out as master of ceremonies that Mr. de Bruijn has been with the board of directors 10 years. Greetings from the board were given by Stan Walker and Clifford Keyes,

hospital administrator, presented the awards.

Recipients of the awards: Violet Alexander, Chrissie Bendick, Yvonne Boisvert, Roger Blackburn, Jean-Paul Bouchard, Micheline Bouchard, Kay Butler, Margaret Connolly, John de Bruijn, Mary Edwards, Tena Feil, Pauline Fleck, Katrina Goett, Henry Houle, Lawrence Kluthe, Russell MacQueen, Sherry Martineau, Sherry Martineau, Donna Mitchell, Eleanor Montpetit, Nola Oester, Anna Posavec, Marianne Sampson, Eleanor Smoley, Joyce Townend and Stan Walker.

Magician-comedian Jon Charles entertained following the dinner.

St. Albert High Soundings

By Jeananne Kathol
A lot has been happening around our school in the past while, and to keep the students on top of the news, a weekly newsletter called T.G.I.F. (Thank God It's Friday) is being published by Susan Bailey and Lori Bezenar.

FOOD SERVICE

The service of soup, milk, fruit and hot dogs at noon hours has begun again under the direction of Mrs. Gervais. The service is run by a different school club every week, with the profits realized during the week to that club.

The cheerleader squad for the upcoming basketball season has been practicing for a long time. Our cheerleaders this year are Carolyn Ringuette (captain), Mary Ann Sanche (co-captain), Adrienne O'Kell, Therese Rajotte, Susan Bailey, Colleen Collins, Maureen Savoie, June Borle and Debbie Warren.

MOVERS BUSY

The Parish Youth Mover's Club has been really busy lately with many varied activities. They sold Spark Insurance around hallow'en time, and held the annual favourite barn dance on hallow'en night at the Parish Hall. Their CYV slide presentation was shown to the school at the last assembly resulting in many new students joining the

Mover's Club. Coming up is an open trip to Maligne Canyon the last weekend in November.

DANCE CLUB

Dance Club is already into its second four-week session, this time with two lesson times on Tuesday nights. Saturday, November 8 was the occasion of another enjoyable Dance Club party held in the school gym for all dancers, their friends and parents.

Work on the yearbook is underway under the direction of Mrs. Ferry. The theme for this year is "Friends." New ideas are planned, especially concerning the Grade 12 pages. Mini-workshops are taking place, and the editor and co-editor will be announced soon.

CRUISE COMING UP

Meanwhile the 17 students who are participating in an educational cruise with Mr. Chalfoux are preparing for their departure which is only two weeks away. Students paid their own fares and tours, but are raising money for their own school jackets through soup sales at the noon hour lunch service.

Pitch and Spice have been active all fall with short weekend trips to such places as Fort Saskatchewan and Bonnyville. On Tuesday, November 11 they gave their third annual performance at the Jubilee Auditorium in

Edmonton, probably their best one yet. They will be cutting a new record in the near future.

The Student Council has also been working hard. A television was purchased for the student lounge, a Dress-up Day was sponsored, school rings and T-shirts were ordered, and a Grey Cup pool is organized. Also recently there has been a change in the executive due to a hot election.

LORI BEZENAR PRESIDENT

The new student council is: Lori Bezenar (president), Janice Krokosh (vice-president), Pat MacDonald (sec-

retary), Janice Kremer (treasurer), Therese Rajotte (publicity), Edna DeChamplain (social convener), Sarah van Tighem (sports rep), Alan Bruneis (Grade 12 rep), Denise Young (Grade 10 rep), and Barb Kathol (Grade 10 rep). A very successful elections dance was held last Monday, November 10 at the Community Hall. Lash Larue played to the enjoyment of a capacity crowd.

The Discovery Program, a program of modern retreats for youths, is underway with a retreat held from Nov. 14 to 15 at College St. Jean. Another Discovery will be held very close to Christmas

Day.

CARNIVAL

This year our school and Paul Kane will be having a lot more participation in St. Albert's Snow Carnival in February. Two representatives from each school are meeting to discuss the possibilities of sponsoring activities that would interest us, the youth.

A number of French students from our high school are attending a French immersion weekend at College St. Jean in Edmonton from Friday the 21st to Saturday the 22nd. Their

schedule is varied and interesting, culminating with the viewing of a French play late Saturday night.

EXCHANGE STUDENTS

We at St. Albert High are happy to welcome Miguel Safie and Julio-David Alfaro from El Salvador who are here on an exchange program for up to 2½ months. They are staying with Dave Raboud and Ron Rouault, and are coming to classes with the Grade 12 students.

And finally, mid-term exams are finally over with, and our report cards should be out tomorrow.

Accent on Akins

By Michele Christensen
A while ago on October 31, a hallow'en dance was held at Lorne Akins. Everyone was urged to wear costumes to set the scene and admission was decreased 50¢ to anyone doing so. The musical group, Powrgride, performed for the occasion. During the dance, the "Great Pumpkin" danced in and threw goodies to everyone. This familiar "Peanut's" character was our vice-principal, Mr. Buccini, in disguise.

The news flash in sports - a ski club has been formed. With the help of many teachers, the students involved in the club will be taking nine trips to Lake Eden to ski. For the nine trips, the fees vary from \$30 to \$50, depending on which kind of ski package is required - lessons, equipment rental, and transportation can be all included. Each night the skiing takes place, students will spend three hours on the hills. A complete explanation of equipment, routes and a film of the program was presented on Thursday, November 12 by the instructors from Lake Eden. With a little help from the snow supplier, this win-

ter's Ski Club at Lorne Akins will be a great success.

For future activities, a fund raising day will be held on November 28 and students are already preparing their activities - such as raffles, skillful games, bake sales, pop and chip sales, etc. The fund raising day is to raise money to support the school's foster child, Choi Nam Kil of Korea, and other school sponsored activities. Parents and their younger children are welcome.

A great deal is in store for us this winter and we are already on the go, as you can see!

We would like to add that an In-service Day will be held on Thursday, November 20, and Parent-Teacher interviews will take place on November 25 and 26 in the evening, and on the 27th in the afternoon.

Seniors to host 2 district clubs

Last Thursday, November 13, was bingo day at the Recreation Centre and although the prizes were smaller than at some places, the excitement couldn't be greater. The next bingo will be held on November 27.

Thursday, November 20, will be Guest Day at the Centre when St. Albert "seniors" will play host to other seniors from Morinville and Legal. Whist will be played but there is sure to be a lot of "visiting" between both old friends and new. As usual, a lunch will be served.

Mr. Charles Norman will also be a visitor on Thursday. Mr. Norman represents the New Horizons federal government program which provided funds for most of the furnishings and equipment

at the Centre. He was present at the opening in January and will be doubly interested in the progress the Club has made since then.

Don't forget - Thursday 20th at 1:30 p.m., and the place to be is the Recreation Centre, near the curling rink.

GREY CUP PLANS

No one needs to be reminded that Grey Cup Day is on Sunday, November 23 and that the Eskimos will be playing. The Centre will be open from 1:30 p.m., and all seniors are invited to come along and watch the game in colour on the big television set. Lunch will be served and, no matter who wins, it should be an exciting afternoon. (If the Eskis win, the roof will probably be lifted

off the Centre!)

BOWLING TIME CHANGES

Bowling continues to be popular. Bowlers should note that the day and time are changing. Starting on November 27, bowling will be from 9:30 - 11:30 a.m., on Thursdays. This will make

Thursdays quite a full day - bowling in the morning and then whist or bingo in the afternoon. It might be a good idea to make it a real day out. After bowling go over to the Centre and stay there for the whist or bingo. Phone Mr. Borle at 459-6215 or Mr. Liptak at 459-6568 for information about bowling.

St. Albert Chamber Briefs

Following are some of the highlights from the regular monthly meeting of the St. Albert and District Chamber of Commerce at the Club Mocombo last week.

ST. ALBERT BUSINESSMAN Armand Savoie of Edmonton Auto Parts, 24 Muir Drive brought a parking problem to the Chamber in the hope they could get the ball rolling and get the problem solved.

The businessman complained that "guys were coming from other places and park their car for three days in front of my place." Mr. Savoie said he had approached the Town of St. Albert about the problem. He wanted a parking limit put up outside his business. At this point Ray Gibbon chipped in with some information that there was a 48 hour bylaw in town and yet some people stayed up to three days "in front of the cop shop."

Mr. Savoie emphasized that Edmonton Auto Parts was a paying business in St. Albert and that some action should be taken on the problem.

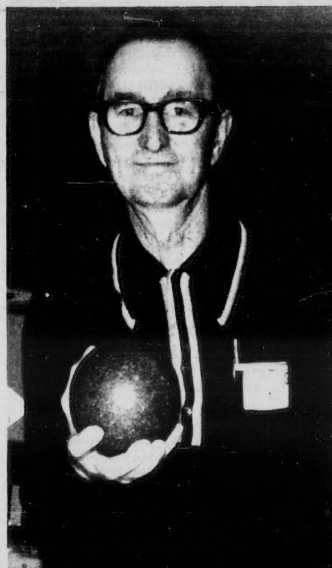

Mayor Dick Plain, who was at the meeting to talk on annexation, said that this was the first time the parking problem at Edmonton Auto Parts had been brought to his attention.

IN A BRIEF TALK to the Chamber about annexation - St. Albert recently announced the proposed annexation of about 10 sections of land

south and north-east of the town - Mayor Dick Plain pointed out that the main reason for the town's action was to preserve the town in terms of physical separation (from Edmonton).

He said the town wanted control of the land for planning a more equitable assessment base. Referring to the proposed industrial park, he said that the large industrial park would stop the trend of people (of St. Albert) having to cross the river to get to their jobs on the southside of the city.

Included in the proposed annexation are a large industrial park to the north and east with plans for a smaller one to the south of St. Albert's present boundaries. A residential development is slated just north of the small industrial park.

Sam Liptak, president of a senior citizen's bowling league, is preparing to bowl down one of the Grandin Bowling Alley lanes last Wednesday. Since October 15, about 45 bowlers have joined the league and all are St. Albert residents except for Sam's brother and sister-in-law of Edmonton.

Save dollars at the Toy Sale

On Monday, November 24 from 6:30 - 8 p.m. Albert Lacombe Elementary School will be holding their second annual used toy sale. Also included in the sale are used children's sporting goods (including skates) and children's books.

The sale will be organized along the lines of a flea market - with the school providing the place for buyer and seller to meet and arrange their own deal.

Admission will be 50¢ for adults and 25¢ for children and the profits from door admissions will be used for school physical education equipment. Sellers will keep the profits from their sales.

Any St. Albert residents are welcome to take advantage of this opportunity to sell toys and games that are no longer being used or buy some Christmas toys at bargain rates.

Tables will be provided for the sellers to display their goods. Sellers are requested to have the selling price marked on all their items in advance with masking tape. A suggested guideline to pricing is 1/4 to 1/2 of the original price (or less) depending upon condition.

All types of children's sporting goods are welcome - soccer boots, skis, baseballs, hockey equipment etc., also figure and hockey skates. Children's games and books (including comics) are welcome. All types of toys are welcome: dolls (Barbies, GI Joe etc.), Fisher Price toys, building toys (like Lego), baby toys, toy cars and trucks, puzzles, jewellery, etc. A mimeographed sheet of suggestions for saleable items is available at the school.

For further information please phone the school at 459-4478. The school address is 50 Gainsborough Avenue.

Building starts for 1975 well down

Building permits issued in St. Albert for September are markedly down over the same time last year.

A total of \$1,960, 161 in building permits was issued for that month bringing the permit value for 1975 to \$9,828,757.

Figure for the same period last year was \$12,488,031.

Breakdown in the permits for September was eight condominiums, \$166,928, 38 single family dwellings, \$1,087,026, 45 garages, \$48,914, two carports, \$1,374, 22 improvements, \$60,657, one pool, \$8,200, two institutional \$587,062.

To date 299 permits have

been issued for single family dwellings over 480 for the same time last year.

Available lots for this year are 583 compared to last year's figure of 738.

The building inspector's report for last September highlights the fact that building starts are well down from 1974 levels and also says that population growth in St. Albert will be reflected in the lesser number of housing starts.

It further points out that it will be remarkable if the census for June 1976 shows an increase much above the 1750 increase of June this year.

Speedsters caught red-handed

Two speedsters on the St. Albert Trail were caught red-handed by RCMP interceptors at the Hebert Road intersection with the Trail early Monday morning.

They were clocked by radar just south of the intersection at nearly 100 miles per hour - 96 m.p.h. Time of the traffic offence was 12:42 a.m.

RCMP are holding on to the names of the two culprits before they make their court appearance after being ticketed.

The two RCMP interceptors at the Hebert Road intersection moved in on the speedsters just like a spider to a fly.

NO NEW LEADS ON RAPE SUSPECT

Following confirmation of a rape in St. Albert, October 17, RCMP said Tuesday they have no new leads on a possible suspect.

However they did report that a St. Albert resident had contacted them on a male seen near the Arena who looked similar to a composite which had been published earlier in the St. Albert Gazette.

RCMP said that when they got down to the location for a closer look the subject had disappeared.

WILFUL DAMAGE

St. Albert RCMP are investigating a case of wilful damage to Emery's Pipe Shop near the Grandin Shoppers Mall, November 16.

St. Albert resident Gordon Waite reported to the police a piece of concrete had been thrown at the glass frontage on the outside entrance of

the shop's lobby area.

Police are treating the incident as malicious or wilful damage as there are no indications that anyone was trying to gain entry to the building.

The incident occurred at about nine in the morning last Sunday.

SPORTS

Generals to meet Barrhead in first home game

After five games on the road, St. Albert Generals Junior B hockey team will be home for their season opener Thursday night against Barrhead Elks. Game time is scheduled for 7:30 with official opening ceremonies a few minutes earlier.

All of the Generals and coach John Ewen are looking forward to playing before their many hometown fans in a familiar rink after playing their first five on the road.

Generals have two wins against three losses in the Central Alberta Junior Hockey League and have shown well in all games except Vermilion when they lost 8-0.

Ewen is looking forward to their three homegames this week as Wainwright Bisons are here Saturday night at 7:30 p.m., followed by Lloydminster Border Blazers on Sunday afternoon 2 p.m. This past weekend Generals lost 7-5 in the last five minutes of the third period to Lloydminster Saturday night and then scored a 5-4 win over Wainwright Sunday afternoon.

Saturday night the undefeated Border Blazers (four wins) came out flying in the opening period and opened up a 3-0 lead with less than five minutes to play. Generals appeared to shake off their bus trip and got their legs back to score two goals before the period ended.

Terry Kieser opened the scoring with just three minutes left to play banging in a pass from Claude Regimbald. Chris Hoffart scored the second goal with 48 seconds left with a shot from the point. Matt Lister and Pat Frewer drew assists.

Lloydminster took a 5-2 lead late in the second only to have Frewer score with a minute left to play with Barry Medori and Lister helping out. The goal kept St. Albert within two and gave them a little spark going into the final 20 minutes of action.

Generals dominated the early minute of the third period scoring two quick

goals to tie the game 5-5. Lister made it 5-4 from Medori and Frewer at 3:06 and Terry Kieser scored at 7:56 to tie the game 5-5.

Generals continued to pass and fired some excellent shots at the Blazer goalie. As it so often happens when you are pressing the other team gets a break and scores.

Blazers were no exception as they came back and caught the Generals defense napping and scored what turned out to be the winner at the 15:05 minute mark.

They added the insurance marker at 16:03 to send 853 fans home with a win.

Generals goalie Wayne White played an outstanding game and could have been faulted on only one goal of the seven. St. Albert's defense has been letting

them down with too many mental errors. Once that corrected the team should begin to move.

On Sunday the team played somewhat better and came away with a 5-4 win over Wainwright. Barry Medori scored the winner late in the game after Hoffart had tied the score 4-4 only moments before.

Other General scorers were Pat Frewer with a pair and Roger Meunier.

Generals goaltender Ralph Chambers was the outstanding player on the ice for both teams making fantastic saves to preserve the second win of the season for St. Albert.

Don't forget to come out and welcome the team home for their opener Thursday, November 20th at 7:15.

GLEN HALL

Glen Hall [Mr. Goaltie] when he performed in the National Hockey League with the Chicago Blackhawks and St. Louis Blues, will drop the first puck Thursday night to officially open the St. Albert Sturgeon Generals Junior hockey game against the Barrhead Elks.

Junior Bruins win a pair

St. Albert Bruins, after four straight losses in Capital Junior League action appear to be in the right track as they have now won their last two games in a row.

Last Thursday, Dennis Sanche and Geoff Holden scored a pair of goals each to give the Bruins a 5-4 win over Enoch Tomahawks. Bruins leading goalscorer, Jack Basterash scored the other St. Albert goal.

Referee George Lang had

an easy night calling only nine minor penalties in the game.

Friday night Bruins fell behind Leduc Riggers 2-0 after the opening period of play.

In the second period Bruins fought back on goals by Bernie Bronson and Dennis Sanche to tie the game 2-2.

Bronson scored the winner midway through the period to give the Bruins a 3-2 win

for their second win in a row.

Bruins Coach Ron Yanosik was especially pleased with the win over Leduc as the last time the two teams met, Leduc took home a 9-2 win.

Carey Winquist is starting to give the Bruins some excellent goaltending and the team appears to be starting to jell.

Bruins next home game will be Friday night, November 21 when second place Sherwood Park Knights will be in town.

Barons hold 1st place with win and tie

St. Albert's Sportshop Barons continued in first place contention in the Central Alberta Midget Hockey League last week, picking up a tie and a win in home-and-home games against Drayton Valley.

The Barons, midget "A" representatives, stole a tie in the dying seconds last Tuesday in a game at the Arena, and then overcame a two-goal third period deficit in Drayton Valley Friday, to earn a hard fought 6-5 victory.

The Barons now have three wins and a tie in four league games; and meet Ponoka 7:30 p.m., Sunday in a game at the Arena.

In Drayton Valley, the hometown Clippers opened a first period 3-1 lead on goals by Elton Allen, John Suffman and Chris Beck, while Ken Strand got St. Albert's only marker from directly in front, after taking a perfect behind the net pass from Dave Shipanoff.

The Barons were badly outshot, 19-8, but in the second period they turned

the game around.

At 6:23, Larry Sander deflected a drive from Captain, Gilbert Longpre, to narrow the Drayton lead to 5-4, and then 28 seconds later Rick Kreway got his sixth goal in four games to tie the score.

With just over four minutes remaining, Kreway sped in the right side of Drayton's end and fed a perfect pass to Real Huot who blasted a drive along the ice from 10 feet out, to give St. Albert the victory.

Each club took six minor penalties in the hard skating encounter, with the Barons outshooting the hometown midgets 14-12 in the second period and 16-11 in the third.

HOME GAME CLOSE

In last Tuesday's game at the Arena, leftwinger Dave Shipanoff couldn't have picked a more opportune time to score his first goal of the season.

With Drayton Valley playing a man short, and Barons' goaltender Glen McRae pull-

ed in favour of an extra attacker, Shipanoff slid a pass from defenceman Dale Malanchuk under the feet of goaltender Bob Brown to give St. Albert the 5-5 tie with just five seconds remaining in the game.

Badly outplayed throughout the first and most of the second periods, the Barons stormed back in the third and carried most of the play, but had to score a shorthanded goal along with Shipanoff's last second tally, to earn the tie.

Drayton Valley outshot the visitors 9-5 in the opening period, but fell behind 2-0 as Ron Sander potted his fourth goal in three games on a pass from winger Don Ouellette, and then centre Ken Strand grabbed a Drayton Valley clearing pass directly in front of the visitor's net and sent a rising backhand high.

The Barons opened the second period flying, and contained the visitors for much of the opening five minutes, but missed at least three glorious scoring opportunities.

Drayton broke loose at the five-minute mark when Randy Ruff got the first of three for the visitors, and then with St. Albert playing two men short, Elton Allen got the tying marker at 11:14 on a drive from the blueline.

Just six seconds later, and the Barons still a man short, Ruff got his second on a low shot from just inside the blueline that caught McRae by surprise, to put Drayton ahead 3-2.

At 19:01 of the middle

frame defenceman Dave Fraser drilled a blistering shot by Brad Brown from 45 feet out that knotted the score 3-3 with the Barons playing a man extra, but just 30 seconds later Ron Metzger waltzed in unopposed, and picked the low side pass. McRae from close in.

Real Huot deflected a faceoff pass from Larry Sander by Brown at 7:40 of the third period to tie the score 4-4, while Rick Kreway was sitting but a major penalty for high sticking, an automatic two-minute minor that also goes with the penalty this year, and a game misconduct.

But three minutes later, and Drayton a man short, Ruff skated by St. Albert defenders and beat McRae for what appeared to be the winning goal.

However Drayton took a foolish tripping penalty with just over a minute remaining and Drayton breaking in on a three-on-one, and the Barons

had the man advantage.

McRae was pulled in favour of the sixth attacker and with just seconds remaining, Malanchuk lifted a desperate pass into the middle that Shipanoff converted and slid under Brown for the tie.

St. Albert was outshot 31-17 in the game, including 16-7 in the second period. The Barons rebounding in the third, outshot the visitors 7-6.

St. Albert took 10 of 19 penalties, with each team assessed a major high sticking penalty, and an automatic game misconduct.

The Barons next home game in Sunday at the Arena, when they host Ponoka at 7:30 p.m. St. Albert also plays Wetaskiwin 7:30 p.m. Friday, Nov. 28.

LOSE EXHIBITION

The Barons also played an exhibition game against Red Deer Saturday, but lost 5-3.

Red Deer Optimist, considered one of the top three teams in northern Alberta, overcame a 3-1 third period deficit, with four straight goals, to gain the win.

The Barons led 2-1 after the first period on goals by Dave Fraser and Rick Kreway, and with any luck, could have had another four or five goals as they outshotted and outskated the home town Optimist team.

The Barons got the only goal of the second period as Kreway took a pass from Paul McCann, but Red Deer, outskated St. Albert in the third period to score four unanswered goals.

Red Deer plays in a Central Alberta juvenile hockey league, and had played three times as many games as St. Albert, and their conditioning paid off in the final period.

Both Red Deer and St. Albert will be entering the Midget Wrigley championships in Grande Prairie, beginning Dec. 26.

Mavericks moving up in strong league

Healy Ford Mavericks, St. Albert's bantam BB representatives are battling 500 after five league games and are solidly entrenched in second place in the seven team Central Alberta League, with two wins, two losses and a tie.

After a slow start, due mainly to lack of ice time compared with the other league teams, the Mavericks are working into shape and should be a top contender by year-end.

St. Albert lost their first two games to Red Deer in a home and home series 5-2 and 6-5. The scorers against Red Deer were Lorne Christensen and Bernie Joyal with two goals each while singles went to Breen Neeser, Pete Twoerck and Chris Stewart. Then they beat Wetaskiwin. Maverick scorers were Breen Neeser and Dave Kreway.

each notching a pair while Christensen, Joyal, Murray and Stewart had one each.

On Sunday, Nov. 16 the boys put it all together waxing Camrose 12-2. St. Albert was led by Troy Murray with three goals followed by Joyal and Pat Poulin with two each and Terry Harkness. Neeser,

Kreway, Twoerck and Stewart adding singles.

St. Albert is coached by Stan Harkness and Frank Joyal with assistance from Bob Taschereau and managed by Glenn Murray. Mavericks next home game is 10:15 Sunday morning and the team would welcome your support.

Balers chalk up a good weekend

St. Albert's New Holland Peewee BB Balers made a terrific third period comeback Saturday night in St. Albert to gain a four all tie with Sherwood Park.

At the 12-minute mark in the third period the Balers were trailing by two goals.

Within three minutes Kelly scored and Myck got his second goal of the game for a deadlock.

Sanders opened the scoring early in the first period for the Balers' other goal. Excellent goaltending by Sexsmith in the last two

minutes of the game preserved the tie. Assistants were awarded to Hammett, Myck and Sander.

On Sunday in Leduc the Balers had very little trouble gaining a victory over the Leduc Elks, outscoring the locals by 11-2.

Myck got the first goal at the two-minute mark in the first period, and the Balers put away six more goals before it ended.

In the next two periods they outscored Leduc 4 to 2. Odings led the attack with a hat trick, followed by Sander and Hammett with two goals apiece. Gray, LaPlante and Poulin got singles along with Myck to round out the scoring.

Next action for Al La-

plante's team is November 22 when Fort Saskatchewan comes to St. Albert at 11:45 a.m. On Sunday, November 23, the Balers travel to Sherwood Park for an afternoon match at 5:30.

TO QUEBEC

Manager Bill Sexsmith and Coach Laplante announced last week that the Balers have entered the "Quebec Peewee Tournament" which will take place during the Quebec Winter Carnival in February. Several projects have been planned to raise funds for the trip, and the Knights of Columbus got the ball rolling with a donation of \$500.

Robert Morse Appliances have donated a Panasonic Deluxe micro-wave oven to be raffled for trip funds.

Volleyball trials - winter games

St. Albert and Sherwood Park are combining to form a ladies volleyball team to compete in the zone trials to be held in Westlock January 10th to determine which team represents Zone 5 in the Alberta Winter Games to be held in Banff, March 4 and 5. Zone 5 includes such centres as Leduc, Stony Plain, Spruce Grove, Hinton, Jasper, Edson, Fort Saskatchewan, Drayton Valley, Whitecourt, Athabasca, Redwater, and Westlock.

The zone team that comp-

etes in the games will be made up of 10 ladies (open competition - no age restriction) and two coach-managers. No AA players or teams are eligible. Players must compete for the zone in which they reside.

The players will practice once weekly (likely Wednesday night) and any players interested in trying out for a place on the team must contact Judy Wood (459-8096) by Saturday, Nov. 22nd.

AROUND TOWN

Vic Shandron and Dennis Hubich, dealers of St. Albert 66, had a grand opening draw Saturday at their service station. The contest started October 29. Barry Boyd, of 11455 - 41st Avenue, Edmonton, won first prize - 100 gallons of gas. A St. Albert man, Victor Millette, of 7 Fernmont Street won second prize - two tires. Grant Anderson of Morinville won fifth prize - eight beer mugs. Ewa Nobert, of 1 Glenview Cres., won a 21 piece tool set when his entry was drawn seventh and G. Langlois of 62 Aspen Cres., won the 10th and last draw - a lady's tote bag.

ST. ALBERT RECREATION REPORT

STURGEON VALLEY BADMINTON ASSOC.

Recreational badminton sponsored by the Sturgeon Valley Badminton Association is available for the existing membership on Tuesdays and Thursdays from 8 - 11 at Vital Grandin; Saturdays from 2 - 4:30 for members and their families at Vital Grandin and Fridays from 8 - 11 at Paul Kane High School.

ST. ALBERT GYMNASIICS CLUB

The St. Albert Gymnastics Club is holding a general meeting to reorganize in the Grandin Clubhouse (beside the pool) on Wednesday, Nov. 26 at 7:30 p.m. All interested persons are invited to attend.

COMMUNITY CHOIR MEETING

The meeting to determine interest in a community choir in St. Albert will be held this week on Thursday evening at Leo Nickerson School, 10

Sycamore Ave., at 7:30 p.m. Those who would like to participate in community choir but are unable to attend the organizational meeting should phone the Parks and Recreation office and leave their name and number. Those attending the meeting will determine the best evening for practices.

CREATIVE DRAMA PERFORMANCE

Students involved in the

Creative Drama Class are inviting the public to attend an evening of improvisations and skits of their own composition on November 30

at 8 p.m., at Paul Kane High School Theatre Arts Room.

DOWNHILL SKI CLUB

A meeting of all those who

expressed interest in organizing a downhill ski club in St. Albert will be held Tuesday, November 25 at 7:30 p.m., at the Mission Clubhouse.

TOWN OF ST. ALBERT

Town of St. Albert

(Section 311 of The Municipal Government Act)

TAKE NOTICE that the Council of the Town of St. Albert, in the Province of Alberta, has given first reading to money Bylaw No. 33/75 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the cost of constructing a multi purpose recreation/cultural facility within its municipal limits.

The estimated total cost of the aforesaid project amounts to \$5,300,000.00. After deducting from this cost the amount of \$2,120,000.00 to be received by way of a provincial grant and \$325,000.00 from the sale of land, the net amount to be borrowed on the credit and security of the municipality at large by the issue of debentures is \$2,855,000.00. The debentures are to be repayable to the bearer in twenty-five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than twelve per centum (12%) per annum.

The annual debt repayment will be \$267,452.91. In 1977 (first year of repayment), it is estimated that one mill will be worth \$68,890.00. The mill rate required to raise the annual debt repayment is 3.88 mills. When applied to the average assessed value of a residence (\$8,000.00), the annual taxes revised are \$31.00 or \$2.58 per month. The anticipated annual deficit for operating the complex is \$120,000.00. In addition, there is a ground rent of \$24,000.00 per annum covering the lease of the complex site payable over the first 25 years only of a fifty year lease renewable for a further 25 years at a cost of \$1.00. In terms of a mill rate, the estimated annual operating deficit is 1.74 mills and the ground lease is .35 mills. The total mill rate, therefore, combining debt repayment, operating deficit and ground lease, is 5.97 mills which, when applied to the average assessed value of a residence, will cost \$47.76 per year or \$3.98 per month.

NOTICE THEREFORE is hereby given by the Council of the Town of St. Albert that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said bylaw and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

A proprietary elector is -

- a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable for the payment of a mobile unit licence.

Five per cent (5%) of the proprietary electors may by petition request a vote on a money bylaw under the provisions of Sections 311 and 7 of The Municipal Government Act.

- The petition must be received by the municipal secretary within 15 days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
- Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
- There shall be set out opposite each signature on the petition -
 - the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - the postal address of the petitioner,
 - the occupation of the petitioner.
- A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or a church or other religious organization or an estate.

The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

- Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
- No name shall be removed from the petition after it has been received by the municipal secretary.
- If two or more money bylaws are advertised in a single notice, a separate petition shall be filed with respect to each bylaw.
- The date of the last publication of this Notice is November 19, 1975.

Ski meeting draws many enthusiasts

No less than 130 people attended the first kickoff meeting of the Nordic Ski Club last Tuesday night at the Percy Page Centre. The large number of cross-country ski enthusiasts pleased the club's executive as no snow has fallen and stayed in the St. Albert area yet. Last year, less than 50 people were at the kickoff meeting, but George Backhouse, vice-president, recalled an explosion in membership after snow fell the Saturday before last Christmas.

Hugh Puffer, "Ole Pufferberg," president, said the club is expecting a total of about 300 members by mid-winter. But the executive is not worried about having to contend with such a large number, he said.

The club is divided into

three regional groups. The FABS group is for members who live in the districts of Forest Lawn, Akinsdale, Braeside and Sturgeon. Bishop members live north of Sturgeon River, principally in the Lacombe Park and Mission districts. The Grandin group lives in the district by that name and skiers from Edmonton are affiliated with each group.

"The groups will be forming their own committee or choose a leader to have a sense of unity," Mr. Puffer said. "As club officials we do not appoint volunteers. We believe the group distinction creates better communication and friendly rivalry." John Witenko, one of the club's certified instructors, gave specific hints in purchasing equipment and clothing at the kickoff meeting. "And prayers were offered for an early snowfall," said Mr. Backhouse.

"We're waiting for the weather to be right before we have our next meeting, hopefully within three weeks. All skiing news will be available in the Gazette.

Mr. Puffer attributed the

three-year old club's upsurge in growth to the fact that people seem to be seeking more recreation during winter months. "And it is being passed by word-of-mouth that cross-country skiing is local and relatively inexpensive," he said.

More than 170 people purchased family unit memberships for husbands, wives and children, or individual memberships for \$3 at the meeting. A skiing clinic the club will be running on behalf of the town, and will be well-publicized before it goes into operation, Mr. Puffer said.

"Parks and Recreation is thinking of having trails meander through various parks and the countryside periphery of the town. And we'll be maintaining established trails with a good tracksetter, as we have a special permit to use a snowmobile to pull it."

The club is also investigating the possibility of using golf courses. It is affiliated with the National Youth Hostel and the Nordic Division of the Canadian Ski Association.

M.D. of Sturgeon Briefs

Following are some of the highlights from the regular meeting of the MD of Sturgeon November 13 and 14.

THE MD AND THE DEPARTMENT OF THE ENVIRONMENT are discussing the cost sharing of improvement of the Carrot Creek drainage system.

MD COUNCIL carried a recommendation of the Morinville Board of Trade that 50 mile per hour signs be placed on Highway 2A north and south of Morinville. Similar signs have also been requested for one and a half miles of road from the Legal turn-off on Highway Two to the village of Legal.

Four miles north and two miles south of Morinville would be affected if the signs go up on Highway 2A.

The Board of Trade action was prompted by reports that "guys have been using the sections of road as a drag strip." In some cases speed of up to 100 miles per hour were reported.

FOLLOWING A PETITION from nine residents, the MD of Sturgeon has granted the request for road upgrading from the south-west corner of section 4-S6-24-W4th going north two miles. The request has been included in the 1976 road program. The petition from the residents points out that brush has grown on sections of the road; rain sometimes makes it impassable and farmers say that it makes for difficult movement of farm equipment.

THE MD seems anxious to get the Ha-Haven waterline repaired. Following reports that the line sprang a 140,000 gallon leak last May.

Apparently the line has since been losing water at a rate of 50,000 gallons a month or \$50.00 a month.

In spite of the leaks, the water meter for the line panned out as almost 100 per cent accurate under test conditions.

The MD was informed that one reason for the leaks may have been bad supervision when the line was put in.

To right the situation the line will have to be pressure tested and a number of valves will have to be fixed right away.

After the bad leak in May water could be seen bubbling up from the ground at one point.

ASSISTANT SUPERIN-

TENDENT FOR Sturgeon National Recreation Tony Mantyka presented the MD with copies of the preliminary regional recreation master plan for council's study. The study has been approved by the regional recreation council.

A hefty document, the study outlines all the re-

creation needs in the foreseeable future for Sturgeon with particular emphasis being on larger facilities for the larger centres in the area.

The study also includes details of funds that will be needed to fund the various projects, with the estimated cost of facilities and the

MD's share of the grants.

THE MD OF STURGEON gave approval to two grants, one of \$3,326.67 for a skating rink, skating shack and community school addition at Horse Hill, the other for \$95,000 to foot the bill for the \$274,523.71 Bon Accord arena.

Mobile home pioneered in Calahoo

It's quite possible that the first mobile home on wheels in Alberta may have been built by the late Patrick Majeau of Calahoo in 1941.

The accompanying photo shows the mobile home that Mr. Majeau built on the old Berry farm in Calahoo where Hector and Helen Quintal now reside.

The home was constructed on the chassis of a 1936 International truck at a cost of about \$200.00 in materials. It came complete with a bedroom and was heated by a coal and wood stove, and took two weeks to build. Entry was made through a door on the passenger side and the driver's seat was a chair that was also used for

many other things when stopped.

It must have been quite a sight when Mr. Majeau and his wife Arvilla, (still living in Calahoo) drove to Calgary in the fall of 1941, where they lived in their mobile home for three years. Mrs. Majeau gave birth to daughter Eileen who is now married to Ken Stevenson of Onoway, in the home in Calgary. Little did Mr. Majeau realize what he was starting, as the Calahoo countryside is now dotted with acreages many of which have a mobile home on them.

This article and photo will appear in the story of Noyes Crossing (Calahoo) Historical Book which will go to press soon.

This mobile home built by Patrick Majeau of Calahoo in 1941 for about \$200.00, transported the family to Calgary and was their low-cost home for three years. Ingenuity and initiative solved a problem.

Spotlight on Sturgeon Back at square one on local penitentiary

By Jim McIntyre

The possibility that the Federal Government may locate a maximum security penitentiary at Horse Hill in the MD of Sturgeon gives much food for thought.

Although the residents of that corner of the MD are known to be dead against having such a facility within their territory there is little they can do about it if the senior level of government decides the gaol must go there.

One has to look at the issue on a national scale. With crime an everyday occurrence, and reports showing it is on the increase, a place has to be found to where criminals can be kept, putting them at a safe distance from their potential victims.

The position of the Federal Government is that gaols have to be put somewhere. It seems logical to put them away from the overcrowded areas of eastern Canada; therefore the pressure on the Federal Government to build penitentiaries in places like Horse Hill must be very heavy.

That is not to say that the people of Horse Hill are not within their democratic rights to resist the location of a penitentiary to their utmost. There are unpleasant ramifications for them if the gaol is built in their community.

At present both the Federal Government and the MD of Sturgeon are back to square one on the negotiations for getting the facility built in the MD of Sturgeon.

Another application must come through from the Federal Penitentiary service for the facility. This will go to the MD's development officer and then to MD council where the application will be either accepted or rejected.

If the application is accepted by the MD they must advise the intention of the Federal Government to build and there would likely be a public hearing on the matter.

If the application is rejected the Federal Government has the right to overrule the decision of the local council.

Ultimately only one avenue of protest remains to the people of Horse Hill if the Federal Government goes ahead with the maximum facility penitentiary. They can register their opinions at the next Federal election by voting against the Federal Government on the basis that that body does not respect the opinions of the people.

Really what is at stake is a principle of democracy. Why should the people of the Horse Hill area take something that they don't want?

The next stages of the development should be interesting to follow. There are obvious pressures for more buildings to take in the errant members of our society and the Federal Government is only motivated to protect the public at large from the criminal element.

An MD official is confident that the Federal Government will not overrule any decision made by the local government on the penitentiary issue. And both the MD and the senior level of government will follow the provisions of the provincial planning act in subsequent negotiations.

The people of Horse Hill should be prepared to accept that they do not have the right of formal appeal against the penitentiary development.

But they still have the consolation, small as it may seem, that they can show their displeasure; at the next Federal election by casting their vote against a bureaucracy which can ride rough shod over the wishes of the people.

The issue of whether a 190-inmate Federal Penitentiary will locate in the MD of Sturgeon at Horse Hill seems to have cooled off for the moment.

Following a stormy meeting in the Horse Hill school October 22 a large crowd told the MD of Sturgeon they were dissatisfied with the MD's handling of the proposed penitentiary.

Members of the Federal Government's Solicitor General's department were at the Horse Hill meeting and the feeling they left was that if the penitentiary did not locate in that area of the MD, then it would have to locate somewhere else in Canada. The Federal Government said to favour the site because it would mean

northern Alberta inmates would be saved the trip to the penitentiary at Prince Albert, Saskatchewan, and the attendant problems of rehabilitation.

At its regular meeting November 14 the MD revealed its course of action since the Horse Hill meeting. It has been in touch with a solicitor for a ruling on a development authorization issued to the Federal Government in a letter from the MD's development officer September 4, 1974. No action was taken by the Federal Government following this letter and that letter's validity as a permit for the gaol expired after 12 months. There were fears among the MD that another letter dated July 5, 1975 might have

acted as an extension of the authorization permit, but the solicitor ruled this out.

Attending the November 14th meeting was Neil Duggan who farms in the area slated for the gaol. He was equipped with a tape recorder, and described himself as a "one man committee" representing the Horse Hill community.

Reeve of the MD Bill Flynn pointed out that whatever decision the MD reaches regarding the gaol - and it is carrying out its deliberations under provincial planning act - "The Federal Government can over-ride us at any time."

In other words the Federal Government could come into Horse Hill with the gaol

under its own steam.

Councillor Lawrence Klue moved a motion that the MD inform the Federal Government that the development agreement has lapsed because of their failure to develop the project within the 12 month period. If they wish to go ahead they must submit a new application under the provincial planning act. This motion was carried by council.

If the Federal Government reply for the permit it will be handled by the development officer and will come before MD council. It could be refused by council and the MD points out that if there are any objections then a public hearing will be advertised.

Gaol at Horse Hill a long way off

Charrois - Grenier wedding

By Sharon Rempel
An evening mass on October 11, 1975 joined Deborah Maria Grenier of Spruce Grove to Guy Jacques Charrois of Legal in marriage.

Given in marriage by her eldest brother Ken and her mother Bjoy, the bride was radiant in her long slim-lined gown, with high neckline and long puffed sleeves. Her jewellery of a single drop pearl was a gift of the groom. Deborah carried a bouquet of red roses.

Attending the bride were Mrs. Myrna Cretney, sister of the bride, Mrs. Irene Charrois, sister of the groom and Miss Brenda Grenier, sister of the bride. They were in long gowns with a fall flower pattern and carried autumn flowers.

Attending the groom were Claude Chamberlain of Le-

gal, Greg Grenier of Spruce Grove and Gerald Charrois of Legal. The ushers were Richard Charrois of Legal and Doug Grenier of Spruce Grove.

The reception was held in the Legal Community Centre with Mrs. Elma Parker, close friend of Deborah's, toasting the bride.

Mrs. Bjoy Grenier chose a long floral patterned gown with peach background accented with a pink corsage for her daughter's wedding.

Mrs. Isabelle Charrois wore a long floral gown with a white and orange background with a white corsage. The newlyweds will reside in Edmonton.

Out of town guests were from Montreal, Regina, Lloydminster, Stettin, Prince George, Kamloops, and many areas in Alberta.

MR. & MRS. GUY CHARROIS

School addition opened in Gibbons

By Keith Hodge
The official opening of the new addition to Gibbons School, which is already at capacity, drew a large crowd on the evening of November 14th. Principal Desmond McDonald was the capable master of ceremonies, and following O'Canada called on Ernie Jamison, M.A., who Mr. Jamison said it had taken a long time and a great deal of work by the trustees

and administrative staff of Sturgeon School Division, and paid tribute to Reg Austin for his persistent and untiring efforts from the outset to get this addition to Gibbons school. He spoke briefly of the advantages of the core design and hoped the students would appreciate their school and enjoy it, along with the community. Noting that Mr. Austin was now a village councillor,

Ernie added that the next step was a new water supply. He presented the school with an Alberta flag, a picture and an atlas.

Mrs. Olga Bilecki, divisional trustee had the honour of cutting the ribbon to make the opening official. She then presented the school with three framed pictures of Gibbons first school in 1928 and the students in attendance. She introduced Miss Edith Johnstone, now Mrs. Edith Henshall, who started teaching school in Gibbons in 1930. Two of her pupils were present, Mrs. Winnifred Rowsell and Mr. Bill Gibbons who were also recognized.

The 36 members of the school Glee Club sang Bless the Lord most delightfully. Blessings and dedication were performed by Mr. Sidney Vincent, Coronado United Church and Rev. Hugh MacGillivray, Gibbons Roman Catholic Church. Mr. J. McDonnell, chairman of the Board of Trustees, Sturgeon School Division, Mr. R. Marrimer, department of education, Mr. F. Robinson, superintendent of school, Sturgeon School Division and Mr. W. Flynn, Reeve, Municipal District of Sturgeon, all congratulated Reg Austin on a long hard battle, and all had his own speech on the opening of the school.

Mr. Morley Workun, architect for McIntosh, Workun and Chernenko explained the procedures of planning the design for the building, adding Reg Austin gave several helpful ideas in

constructing the blueprints for the school. He then presented the school with a bronzed plaque, and introduced Mr. J. Chomiak of Vinto Engineering Ltd., Mr. D. Pearson, Jarvis Engineering Ltd., and General Contractor Mr. Fred Papineau.

Special presentations were made by Mr. Reg Austin (formerly divisional Trustee) and Miss Patty Thimer (past president Gibbons Students' Union). Mr. Austin thanked everyone for their praise and presented the school with a huge dictionary for the students to use in the school library. Miss Patty Thimer along with Mr. Rigney past principal presented the school on behalf of last year's students' union with a picture and several new books on art for the library.

Mr. Rigney commended the students' union on their excellent work last year and the large sums raised for various school purposes.

Miss Kim Mabbutt and Miss Lamoureux did a lovely tap dance routine.

Mrs. Anne Van Noord standing in for Mayor Loblock brought congratulations on behalf of the town council.

Miss Claire Lamoureux played a lovely tune on the piano to close the program.

A lovely lunch was served and a tour of the school, with teachers' standing by to answer questions. Mrs. Henshall, had a very enjoyable evening seeing old friends and pupils.

I would say the Man of the Night was of course our own Reg Austin!

Olga Bilecki, division trustee, cuts the ribbon and declares the new addition to Gibbons School officially open with the aid of Principal Des McDonald. Mr. Bilecki, a self-confessed history buff gave an interesting review of school history and people involved at the opening November 14th.

GIBBONS NEWS

By Karen Hogg
Congratulations to Mr. Reg Austin on his victory of the byelection for the village council on November 13. His worthy opponent Mr. Ronald Coley put up a hard battle.

Mr. Darwin Seintak was unanimously appointed a director of the Agricultural Society on November 4.

Mike Bochansky is now the official arena manager. Mr. John Vanderspoel was unanimously elected vice-president of the Society.

The Agricultural Society decided to change regular meeting nights at the first and third Monday nights of every month at 8 p.m. There will be no meeting Monday, November 17.

The Village of Gibbons requires an assistant accountant for a part time leading to full time position. Incumbent to be paid on an hourly basis. Applications are to be in by November 24 at the Village office. A resume of qualifications, wages expected and availability for employment. Applications are to be in the village office by November 24. If the mail strike continues please drop your application at the Village Office.

A reminder to everyone of the Legion bingo's which are held every Thursday in the Legion Hut at 8 p.m. Jackpot is \$125.00.

REMEMBRANCE DAY

There were several people out to watch the parade and go to the church service. Mr. Vincent of the Coronado United Church delivered the church sermon. Mr. Yeo would like to thank every organization which took part in the parade, and everyone who helped to make the day the success it was.

Sincere sympathy is extended to Mr. and Mrs. Jim Bibaud and family on the passing of their son Richard.

Miss Connie Roberts would like to announce that her brother Alex was moved from the Fort Saskatchewan Hospital to Edmonton, into the Norwood Auxiliary Hospital in the north section.

Thursday, November 13 Coronado Cougars defeated Horse Hill Hornets 5 to 3. Gibbons Falcons and Gibbons Flyers tied five all.

Vanier School Graduation

By Karen Gibeault
Graduation Committee Chairman

Graduation exercise for this year, occurred on October 25. For the graduates, it was more than a filled day.

Beginning at 2:30 p.m., pictures were to be taken, but unfortunately, the photographer was delayed until 4. There were frazzled hairdos and all were impatient -- most had other things to do.

Immediately afterward, was the mass said by Rev. Fr. Bureau. Then, cocktails and the banquet when master of ceremonies was Mr. Gerald Houle.

After the delicious meal, were the exercises with Mr. Raymond Short and Miss Vivian Blackburn (president and vice-president of the Senior Students' Union respectively) as the masters of ceremonies.

Many awards were given out to deserving students: Grade 12 scholarships were awarded by Thibault District to Donna Boddez, \$100, and Yvette Bouvier, \$50. Students' Union awards for the outstanding students went to Donna Boddez in Grade 12 and Lise Morin, Grade 9.

Highest average trophies listed in order from Grades 6-12 were awarded to Cynthia Robinson, Debra Swerd, Louise Chalifoux, James Dardis, Renu Khullar, Ruby Khullar and Donna Boddez.

The Mouvement des Femmes Chiennoises award for language and literature went to Yvon Dostie, \$25, and the Sturgeon ATA Grade 9 award was presented to James Dardis.

Subject awards of \$25 each went to Marcel Mercier, Chem 30, Marcel Mercier, Math 30, Janielle Gibeau, English 30, Roger Tailleux.

Gibbons Flyers lost 7-0 to Gibbons Falcons Sunday, November 9. Horse Hill won over Coronado Cougars 8-2.

Mike Bochansky, manager for the Gibbons Arena and Glen Mabbutt is the new caretaker. For ice rentals and public skating phone 923-2681. All public skating will be posted in the arena on the blackboard.

On Sunday, November 9 Louis and Marcey Morin had a baby girl. Tanya Marie weighed 7 lbs. 4 ozs. and was 21 inches long. Congratulations!

Mr. and Mrs. John Shaws children, Karen, Stuart and Graham sure got a surprise when they looked in the pumpkin patch one morning and found a 60 pound pumpkin. This picture was taken two weeks before halloween. That sure must have kept mom busy making a few

French 30, Marilyn VanBrabant, Physics 30, Janielle Gibeau, Social Studies 30, Donna Boddez, Accounting 30 and Typing 30, Denis Boissonault, Phys. Ed 30.

During the exercises four moving presentations were given by the Graduation Choir under the direction of Mrs. Colleen Schayes, with Louise Ruppel accompanying on the piano and Michelle Gibeault on guitar.

Speeches were made by: Mr. Norman Treitak (superintendent of schools), Mr. Arthur Stapleton (mayor) and the Valedictory Speech, given this year by Miss Donna Boddez.

It was then time for the presentation of diplomas by Mr. Marcel Schayes (principal) and rings by Mr. George Bulger, while the graduates were introduced by Mr. Gerald Houle (vice-principal).

After family pictures were taken and congratulations received, all made their way to the dance, featuring the 'NiteLites'.

The graduates were: Cindy Barnes, Donna Boddez, Denis Boissonault, Cathy Borle, Yvette Bouvier, Doreen Calder, Jane Dingman, Yvon Dostie, Gerard Feist, Sylvia Flannigan, Gerry Gaetz, Jan Gibeau, Don Krauskopf, Marcel Mercier, Francis Morris, Laurie Nobert, Alaine Remillard, Lauri Saffin, Danny Schafers, George Schafers, Lois Steffes, Andy Tailleux, Yvette Tourangeau, Marilyn Trach, and Marilyn VanBrabant.

The Graduation Committee worked very hard to make this graduation a success, and many people put in long hours of precious spare time. The community wishes all the graduates bright futures.

OPEN HOUSE

The children of Mr. and Mrs. Hector Lamoureux invite you to celebrate their 60 years of marriage. Mass will be celebrated at Our Lady of Lourdes Church in Lamoureux at 1:00 p.m., November 22nd. Open House at Pioneer House in Fort Saskatchewan from 2 to 4 p.m. No gifts please.

pies.

THE LAST ROUND-UP (Gibbons Senior Citizens)

The Last Round-up met on November 13 in the Legion Hut. This was the annual meeting with election of officers. Blings was played for grocery prizes. Thirty-eight members answered roll call. The club then got down to business. Sheila read the minutes of the last annual meeting. There being no changes, they were adopted as read. She then gave a report on attendance, finances (lunch-money) and the highlights of the past year. A vote of thanks was given.

Eula gave a report on the bank account. She was tendered a hearty vote of thanks. Wilfred gave the report for the committee. He also mentioned he had been approached about sweaters for the hockey club. After some discussion it was moved that we donate a sweater. Wilfred would look after this matter.

Eula vacated the chair to Emily Oliver for the election

of officers. The matter was brought up about combining the offices of secretary and treasurer. A motion to this effect carried. A motion that Sheila Crosbie be secretary-treasurer was also carried.

Emily Oliver and Eula Mabbutt were nominated for president. Eula declined as she had already held the office for three years. A motion that Emily Oliver be president was carried.

Clara Williams and Eula Mabbutt were nominated for vice-president. Clara declined and a motion was made that nominations close. Motion carried so Eula is now vice-president.

Cathy Shaw, Aureole Lamoureux and George Knight will be the committee in charge of lunch and entertainment for meetings.

George Knight proposed a vote of thanks for three years of service as president.

Members were reminded the Christmas party is the second Thursday, in December. Also dolls and toys are being accepted for the Charles Campbell Hospital.

Vimy couple marks Golden Wedding

By Darlene Provencal
On November 8 at Our Lady of Victories Church in Vimy, Mr. and Mrs. Leger Huot renewed their marriage vows at a thanksgiving mass celebrated by Father Guerin on the occasion of their golden wedding. Father gave a very touching and appropriate homily.

Grandsons, Gerald, Leo, Andre, and Albert Huot were altar boys. The epistle was read by grand-daughters Cecile and Elaine Huot. At the base of the altar, five "lampions" were burning; one symbolizing the couple and one each for their four sons and their families. During the wedding mass, soloists, Mrs. Mary Bernard sang the "Wedding Prayer" and "O Promise Me." Mrs. Irene Huot, daughter-in-law, and her mother, Mrs. Gertrude Provencal, sang "Voilà les pieds vierge Marie" and "Je t'adore a jenoux." After mass, a numerous

group of well wishers surrounded the happy couple to wish them the very best before moving on to the celebration at the community hall. The bride of 50 years looked lovely in her long aqua gown and white shawl with white carnations and gold ribbon on corsage.

A lovely banquet was served to some 135 guests. Master of ceremonies for the evening was Mr. Edmond Sabourin. He introduced the head table as follows: the honoured couple; the original bridesmaid and her husband, Mr. and Mrs. Tom (Anna) Belle; Mr. Alphonse Huot, oldest brother who originally stood for the groom's deceased father 50 years ago; Mr. Alphonse Aquin, oldest brother of the bride, who also originally stood for the bride's deceased father 50 years ago; Mr. Ed Sabourin, emcee and his wife, Jeanne, and Rev. Father Guerin. The table was centered by a

lovely wedding cake with a bouquet of red roses on each side. Directly behind the honoured couple was a large picture in red velvet trimmed with gold braid. An original wedding picture of the couple was mounted in the centre with a smaller picture in each corner of their four sons, Lucien, Maurice, Robert, and Paul-Emile and their families. Hearts and roses surrounded the picture.

During the banquet, Mrs. Mary Bernard and Mrs. Gertrude Provencal sang "Silver Threads Amongst the Gold," accompanied by Paul-Emile, son, on the guitar. Mr. Vic Douzich also sang a beautiful song, "Les Papillons Blancs."

The emcee then introduced the couples seven grandchildren who were all present for this grand occasion. Some of them the couple had not seen since their childhood. A golden wedding toast was proposed by grand-daughter Colette Huot.

Father Guerin spoke a few words of congratulations and said the Pope would send the Papal Blessing as soon as the mail strike ended. Telegrams were received from Robert L. Stanfield and Gov. Gen. and Madame Leger. The cutting of the cake brought the banquet to a close and everyone moved upstairs for an evening of dancing to the good oldtime music of pick-up orchestra. Their son, Maurice, played along with Pete Tittiny, saxophone player, Brian Gibson, piano, Ralph Burrell, accordion, A. Ducharme, banjo, and youngest son, Paul-Emile, on guitar.

Later in the evening Paul-Emile made a presentation of a gold velvet easy chair on behalf of the couples four children. Another chair, identical to the first, was given on behalf of all the friends and relatives gathered there. The charming couple were then seated in their chairs while each of their 14 grandchildren presented them with a rose. A very tender and touching

moment for everyone watching. The guest book and an album were presented to them by Andre and Debbie Huot.

A delicious lunch for the 250 guests concluded the delightful celebration.

Out of town guests came from as far as Elje, Manitoba, Saskatoon, Saskatchewan, Fort McLeod, Calgary, Camrose and Red Deer.

Leger Huot was born in Lac Magantic, Quebec, on February 10, 1898 and arrived in the Morinville district in 1914 with his parents, Mr. and Mrs. Edouard Huot, and five other children. Clara was born in Turton, South Dakota, in 1899 and arrived in the Vimy area in 1905 with her parents, Mr. and Mrs. Ormidas Aquin, and their six other children. The couple met and were married by Father Mallet in 1925. They settled

MR. & MRS. LEGER HUOT

on a farm in the district and raised a family of four boys, Lucien, Vimy, Maurice, Morinville; Robert, Vimy; and Paul-Emile, St. Albert. The couple retired in 1960 to a house in Vimy where they are still enjoying life.

On behalf of the whole

community, I would also like to extend congratulations and best wishes to this very lucky couple on the occasion of their golden anniversary. We wish you both good health and hope you may be blessed to celebrate your diamond jubilee.

VIMY NEWS

By Darlene Provencal
On Friday, October 24, the Vimy Community League hosted their annual "Fall Cabaret." During the evening, Leo Provencal, coach of the Vimy Blues. Baseball Club made a draw from the tickets they've been selling for the past several months. Winner of the big "Papa Bear" (Texas Mickey) was Jim Oke of Westlock. Winning the "Mama Bear" was Horst Volske, also of Westlock and the "Baby Bear" was won by Hal Willis of Edmonton. Congratulations to the winners and the baseball club wish to thank everyone who supported them by buying tickets. Maybe next year it'll be your turn to be a winner.

Get well wishes are being

sent to Mr. Dick Despins who was suddenly hospitalized in Westlock last week.

Last Saturday, October 25, three of our local students graduated from Legal High School at the annual Grad event in Legal. Congratulations to Rita Provencal, daughter of Mr. and Mrs. Clem Provencal; Jocelyn DeChamplain, daughter of Mr. and Mrs. Fern DeChamplain; and Michael Blanchette, son of Mr. and Mrs. Albert Blanchette. Winning awards were: a silver medal to Lucy DeChamplain, daughter of Fern and Cora, for above 70 average in Grade 10; a silver medal to Mariette Laplante, daughter of Roger and Jeanne, for above 70 average in Grade 11; and a gold medal to

Claudette Landry, daughter of Rick and Emilienne, for the highest average in Grade 11. The CWL also presented Claudette with 10 dollars. Congratulations to students and keep up the excellent work.

A housewarming party was held last Saturday at the new home of Mr. and Mrs. Robert Sutherland. Family, friends, and neighbours gathered together for this fun evening and Bob and Ruby were presented with a putze plus an ironstone dinnerware set. The "best of luck" to both of you in your new home.

Congratulations to Fern and Cora DeChamplain who celebrated their 25th wedding anniversary on October 30. Celebration were limited, however, due to the fact that Fern had a serious farm accident last week and is presently in the St. Albert hospital. Hope your feeling better.

The Vimy Utilities Co-op now have their tickets on sale for their annual event to be held on Friday, November 21. Five dollars per couple is being charged, including lunch and music by the Satellites. Get your tickets now from any board member or call 961-2153.

The CWL hallowe'en party at the community hall on October 31 was a howling

success once again this year. All the children enjoyed an evening of games, prizes and treats. Judging for the best costumes were: Mrs. Aurelie Fagnan, Fr. Viel, and Mr. Ed Sabourin. Winners were: in the pre-schooler group, little Michelle Borduzak dressed as a "Black Magician," in the six to eight years group, Rene Locher dressed as a "Little Black Witch," in the 9 - 11 year group, Patrick Sequin, a "Green-Nosed Witch," and in the 11 - 13 year group, Sharen Bryan, dressed as a "Baby" with a bottle. The ladies in the CWL wish to thank everyone for their co-operation.

Congratulations to Gerry and Anne Pelletier who celebrated their silver wedding anniversary on November 1st at the Vimy Community Hall. The entertaining evening was put on by their son Raymond. Anne looked lovely in her coral coloured long gown and Gerry complimented her by wearing a coral shirt in his suit. Following the couple into the hall were their original wedding party consisting of: the groom's sister, Anne Marie, standing with the bride's brother, Ed Patrick; and, the bride's sister, Mrs. Caron standing with the groom's cousin, Tony Pelletier. During the evening Gerry and Anne were called on stage to say a few words and were presented with a purse on behalf of everyone

there. They also received two silver platters from friends and two Canadian Geese given to them by Anne's boss at IGA, Mr. Dave Shefski, who had just come back from a hunting trip. Gerry and Anne were married on October 28, 1950 in Clyde.

John and Clemence Dussault and family motored to Calgary last weekend to visit with a nephew, Norm Richardson and family. They drove their son, Paul, there so that he could attend a banquet and a meeting of the Alberta Cadet League to report on his trip to Europe.

Bob, Carol, and Patty Burns also motored to Calgary to spend several days visiting with Carol's mother.

Bill and Yvonne St. Arnaud left Friday afternoon for a five day trip down to Three Hills and that area.

They plan to visit with friends.

We would like to welcome into our community, Mr. and Mrs. Max Liegandt and their two young children who have recently purchased and moved into the Bernard residence. Henry and Annie Bernard have bought and moved into a home in Westlock. We hope you'll enjoy your new community.

Mrs. Rita Cannard, director of the Women of Uniform, enjoyed a convention in Calgary on November 5 and 6, at the Sheraton Summit Hotel. It was very successful with some 170 delegates and visitors attending.

Mrs. Irene Regimbald and her son George motored to Red Deer to spend a few days with friends. Paul, whose job keeps him busy in Caroline, met her and George there.

Report From Bon Accord

By Sadie Allen

The United Church Women report a very good turnout for their annual fall and supper. They wish to thank all those who helped to make it a very successful event. A special mention should be made of the group of 35 retired school teachers who came out from Edmonton for the supper. A boutonniere was presented to Mr. Chas. Lewis as one of the two remaining members of the original Sunday School, the other being Mrs. Maude Kowalski. Also present for the supper was Mr. Lawrence Rye, a faithful patron of suppers held in the Bon Accord Community.

A paper bin will be on location at the United Church at Namoo on November 26 with proceeds being equally divided between the United and Roman Catholic congregations. The bin will be on location there every three months.

The Gibbons Guides and Brownies hold regular paper collection with papers being left in the green building near the Gibbons village office where the key is kept. Think twice before you throw away that precious paper.

The service for Holy Trinity Anglican Church will be held at 7:30 in the evening on November 30 followed by the vestry meeting. Members of the Vestry, please, note.

WILDCATS WIN

Bon Accord Wildcats, senior league, chalked up their first league win of the new season by downing Morinville 8-6 at Morinville on November 16. The team will play Namoo at Gibbons on Friday, Nov. 21 at 8 p.m. The

Outlaws (NHL) dropped a close one to Redwater in a game played at Redwater on Nov. 15 losing by a 6-5 score.

Over 117 registered for the Trainer for Guiders held at the Bon Accord school on Nov. 15 with representatives from 100 miles distant attending. A buffet meal was served to the visitors by members of the Local Association from Bon Accord.

An invitation is extended to all senior citizens of Bon Accord and district to attend the Christmas party at the Bon Accord Community Centre on Sunday, Dec. 7 from 2-5 as guests of Holy Trinity ACW. There will be a program featuring dancing and music and lunch will be served. Make this a date to remember.

CANDY BLITZ

The Bon Accord 4H Food Club will be blitzing the village and district for their annual candy and nut sale on Saturday, Nov. 22. Please give them your support.

Bon Accord Golden Gems will be holding a bake sale on Dec. 3 in the Community Centre from 3-5 p.m. While Christmas goodies will be featured, there will also be other items of homebaking for sale. The club is also handling the sale of Western Canada Sweepstake tickets for this area. Remember to buy your ticket locally and support your own community activities.

The Bon Accord Ladies hockey club played their first game of the season on November 16 against the CFB team at Lancaster Park, playing to a 3-1 tie.

Anglican Church Women

will meet at the home of Lydia Bland on Wednesday, Nov. 26. The draw for the hand-knitted afghan made by Mrs. Thalia Fischbach will be made at this meeting. If you have not purchased a ticket yet but would like to, tickets may be obtained from Ruth Clune 921-3642 or Shirley Bland, 921-3680.

CHILISUPPER

The Roman Catholic Church Women will be holding their chili supper in the Gibbons Community Hall on November 30. Family rates are available. RC religion classes are held every Tuesday after school in the Bon Accord school. Teaching the teen-age class is Mr. John Talbot. Mrs. Cathie Emery is in charge of the Grade 1 class and Mrs. Carol Rivet conducts the intermediate class.

NEW YEAR'S DAY

Bon Accord Community Club Ladies met at the home of Rita Milligan on Nov. 12. Plans are being made for the New Year's Eve Ball with tickets going at \$18 per couple. The next meeting of the club is the Christmas meeting and will be held on December 10.

The bingo jackpot has not been won and is now \$250 in 59 numbers. Anne Brennan, Cyndy Fenwick, Wayne Straghan and Del Robertson shared the jackpot consolation. The bonanza was won by Helen Robertson. Remember BINGO, every Sunday at 7:30 in the Bon Accord Community Centre.

The district extends its sympathy to the family of Mr. Carl Rogers who passed away suddenly on November 2.

Legal Locals

By Sharon Rempel

The members of Club 60 Roses, Legal want to express their most sincere thanks to all those who in some way helped to make their bazaar a helped to make their bazaar a success.

A special meeting of council was held on November 12, with members of different organizations present. "Main Street," Alberta was presented by Mr. Patterson with Project Devonian Group of Charitable Foundations. "Main Street" is a community improvement program designed to assist Albertans in a "face lift" for the downtown or main street areas of the village, and to encourage volunteer participation by local citizens. Improvement and beautification is possible in many ways. A committee to set up to identify our needs to determine what type of assistance is required to fulfill them.

Mr. and Mrs. Oliver Laframboise and Mr. and Mrs. Toni Pelletier are pleased to announce the engagement of their children Rita and

Raymond. Wedding to be announced later.

A chocolate making course is being offered just in time for Christmas. The course starts December 1st and 8th from 10 a.m. to 4 p.m. To register call Sharon Veitch at 961-2399.

Mr. and Mrs. Allan Keane were guests of honour at a surprise party recently on the occasion of their 35th wedding anniversary. Present were members of their immediate family as well as Claire-Yvonne's bridesmaid and her husband Laurette and Jack Shuttleworth of Camrose.

Congratulations and best wishes, Claire-Yvonne and Allan, on this special occasion.

A warm welcome is extended to Mr. and Mrs. Tom Manz, who have just purchased a new home in Legal.

Please have all news items by Sunday evenings, either by bringing them to my home or calling 961-3996.

MAYMIE KEANE

HONOURED

Maymie Keane was honoured on November 10 at a miscellaneous shower at the residence of Mr. and Mrs. Patrick Keane.

Maymie entered the charmingly decorated living room accompanied by her mother, Mrs. Allan Keane and her grandmother Mrs. Lucia Montpetit.

Pleasant conversation and thought-provoking games were enjoyed by all. Following this Maymie opened her lovely gifts assisted by her future sister-in-law, Mrs. Molly Benfield and her bridesmaids, Terry Keane and Lucy Montpetit.

Maymie, in well chosen words, thanked everyone for their gifts and expressed gratitude to those who organized the shower.

To conclude the afternoon, a delicious lunch was enjoyed by everyone. Maymie served a "shower cake" beautifully decorated for the occasion.

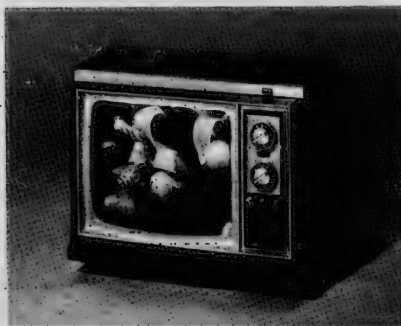

Maymie will exchange marriage vows with Michael O'Dwyer of Edmonton on November 22 in St. Albert Catholic Church.

MORINVILLE MEMOS

By Marg Bentz
Any resident of Morinville interested in serving the community as a member of the Board of the Library should contact Mrs. Lindley the chairman at 939-4158. A willingness to donate a little time, interest and enthusiasm are the only requirements.

Tickets are now being sold by the Morinville Lions Figure Skating Club and your support will help keep the registration fees down. Various prizes are being donated by many Morinville businesses. Tickets are 25 cents

each or five for \$1. Draw will take place on January 26, 1976.

Board of Trade is again sponsoring the Christmas Lighting Contest. Two categories (commercial and residential) will be judged by Board of Trade members. First prize \$20 and second prize \$10. The Board of Trade would like to encourage everyone, especially business places, to light up for the Christmas season.

Tentative plans are underway for a fund raising project by the Board of Trade, for a

contribution for the Morinville Ambulance Emergency Unit Service.

Curling registrations are still being accepted. Contact Colleen Brisson at 939-4525 or Ross Quinn at 939-4217 (shop) or 939-4091 (home).

TALENT SHOW

The Morinville Board of Trade is again, this year, sponsoring the 29th annual A.C.T. Search for Talent program in Morinville, and now solicit your assistance. They urge all music, dancing etc., instructors and leaders to encourage participation in this event. Pull-tickets will be sold with the majority of the proceeds going to the A.C.T. Crippled Children's fund. There will be various prizes with the main prize being a "Trip to Mexico." For further information, do not hesitate to call 939-4435.

Don't forget Saturday, November 22, the Rendezvous Club will be holding their tea, bazaar and bake sale at 1 p.m. at the Clubhouse.

Tiny Tot's are holding a meeting on Thursday, Nov. 27 at the Rec. Centre. Executive are to meet at 7:30 p.m., and parents are asked to come at 8 p.m.

FIGURE SKATING

The Morinville Lions Figure Skating Club will be having registration for the ARSA program from December 8th to 13. Testers for the program, already in progress, will be out on January 3. New lessons will begin on January 10th.

It has been brought to my attention that second prize, at the Knights of Columbus masquerade dance, held on November 7, went to Denise Chevalier (or better known as Sylvester Pussy Cat) and Mrs. Robert LePage, the Happy Face. Sorry girls.

Morinville Cubs and Scouts are having a bottle drive, the evening of December 1st. The executive is looking for parents or other adults interested in joining the group committee. Call Mr. West at 939-4141.

YOUTH SERVICE

An alternatives for youth office will soon be in working order, centered at the Georges P. Vanier High School. Prospective employers and students seeking work are asked to contact them. They will try to find students for babysitting, office work, etc. If employers or students are interested please phone 939-4069 between the hours of 9 to 9:30 a.m. and 11:05 a.m. to 12:45 p.m. and ask for Ruby Khullar or Ron Cust. The service will also provide information for students in such areas as summer education programs, travel programs, leadership development and student financing.

There will be a teen dance on November 21, featuring Moshov. The dance will begin at 10 p.m., at the Morinville Rec. Centre and everyone is welcome to come and hear this exciting, funky rock'n'roll group. Admission is \$2.50 and students must be 15 years or over. Doors close at 1:30 a.m.

VOLLEYBALL

Congratulations to Vanier Junior High boys and girls volleyball teams. On Saturday, November 15, both the girls junior team and the boys junior team, walked away first place winners of the Camilla invitational volleyball tournament. Six teams were entered: Morinville, Camilla, Horse Hill, Gibbons, Barhead and Ono-

way. We can certainly be proud of these hard working youngsters.

A Christmas gift and craft sale will be held on Thursday, December 4, from 3 - 9 p.m. at the Centre. Anyone wishing to place articles for sale, please call 939-4625 after 5 p.m.

FRONTIER DAZE MEETING

The annual general meeting of the Morinville Frontier Daze Association will be held on Wednesday, November 26, at 8 p.m., in the International Building on the grounds. The treasurer's report will be presented and elections will take place. This meeting is open to everyone and if you have suggestions or complaints, please attend.

Welcome to Morinville Marcel and Cheryl Polier. Marcel has worked at Bert's Auto Centre for the past three years but previously resided in Edmonton. Also new to town are Neil and Diane Stewart. Welcome to town!

Morinville Recreation Committee will be holding a meeting Thursday, November 20 at 8 p.m., at Regional Rec. Building. Will all clubs please remember to send a representative.

SENIORS LOSE TO BON ACCORD

Morinville Seniors dropped their league opener 6-8 to Bon Accord, Sunday afternoon at the Morinville Arena. Morinville could have won except in the second period when they gave up five goals while scoring only twice. The first period was a 1-1 tie. Rick Pugliese scored assisted by Marcel Tourangeau. The third stanza 3-2 for Morinville on goals by Guy Chalifoux (assist Rick Pugliese) Wayne Miller (assist George St. Laurent), and Richard Wright (assist Wayne Miller and George St. Laurent). The only bright spots of the second period were Randy Labelle set up by Terry Maslyk and George St. Laurent who was aided by John Balsile and Wayne Miller. Morinville cannot afford defensive lapses as witnessed Sunday; however some key players were on leave to watch CFL semi-finals and the Seniors will

definitely tighten up on their return. Next home game Friday, November 21 at 8:30 p.m.

Morinville Midgets hockey team lost their first exhibition game 4-5 last Wednesday to Kensington of Edmonton. The boys have a good team and should finish high in league standings this year.

MITE HOCKEY

Morinville Mite A - played three exhibition games winning over Calahoo 4-2, St. Albert 7-1, and Fort Sask. 10-6. Morinville goals were scored by Marsh Lalonde - 8, Chris Bokenfohr - 6, Dwight Van Brabant - 3, Rick Mulligan - 2, Neil Bokenfohr - 1, and Phil Schayes - 1. Excellent defensive performances were put in by Robbie Hoffmann and Keith Streeter.

BANTAMS DEFEAT ONOWAY

Bantam A's destroyed Onoway 7-2 Saturday afternoon. These fellows, although a bit on the small side play nice position hockey, very clean, and seem well coached in the basics. They could well win the league this year, as could the Mite A's who came back from a five goal deficit to win their game 10-6, also on Saturday. The little fellows play a real nice branch of hockey. Shaver A's lost 4-0 to St. Albert, Saturday, in their first action of the season. All hockey coaches interested in having games in the column, please contact me.

Goodtimers lost 8-3 to visiting Westlock, Sunday evening. Next home game will be on Sunday, November 23 at 8 p.m.

Don't forget tonight the Morinville Drum and Bugle Band will be canvassing for the giant Christmas card. Remember lights on and wish someone Season's Greetings and at the same time help purchase the much needed instruments for the band students.

Reader's co-operation in telephoning or bringing in news items is much appreciated and as early in the week as possible. Please phone 939-4145 or stop in at 9901 - 99 Avenue.

Villeneuve 4H News

By Lana Kremer
On Wednesday, November 12, the Villeneuve 4H Clothing Club had their third meeting. We discussed the annual 4H turkey bingo. It was decided to hold the

bingo on December 7 at 8 p.m. in the Villeneuve Hall. There will also be an Italian raffle. Doors will open at 7 p.m.

Hold it!

Before you finish that home or renovation project, let AGT pre-wire it now for telephone service later.

HOMEOWNERS!

Renovating? Great! But before you put up that wallboard, let us pre-wire your telephone outlets — at no cost to you. That way you can add phones any time, without unsightly wires along baseboards or up and down walls. Pre-wiring also saves time and trouble when you're ready to add a phone. So before you start that wall, give AGT a call!

CONTRACTORS!

Pre-wired telephone outlets are a great home selling feature. Customers like the convenience of adding phones when and where needed, without the cost and trouble of running wires to hard-to-reach places. AGT's pre-wiring service is free. But it must be done at the framing stage. Ask for our pre-wiring brochure.

For pre-wiring service, dial '0' (Zero)
and ask the Operator for Zenith 22002 (toll free).

Keeps you in touch with convenience

Morinville Legion Ramblings

By John Bulger

On Saturday, November 8, 1975, the annual Remembrance Day, banquet and dance. Branch #176 was held at Legion Hall. A capacity crowd of 90 persons attended and were served a delicious meal prepared and served by the United Church Ladies. At the conclusion of the supper, Comrade John Bulger gave a short address on the Poppy, and the conflicts in which Canadians gave their lives from WWI to the present day. Comrade Dubord said grace prior to supper and Comrade Ellis proposed a toast to Ladies Auxiliary and all ladies present.

Following the supper, the

remainder of the evening was enjoyed by all dancing to the music of the "Tune-Ups". The door prize was won by Mrs. Mary Hittinger. As in previous years, several former citizens of Morinville, and residing in Edmonton area attended and from all appearances, seemed to really enjoy themselves and expressed the desire to attend again next year.

On Tuesday, November 11, the solemn and more important part of Remembrance Day services was celebrated by members of Branch #176 and the citizens of Morinville. On this date at 10:15 p.m., indoor services were held at Legion Hall with Comrade Ellis acting as chairman for the services.

After opening ceremonies, the chairman introduced the official party to those assembled for the services, in official party were: Branch President - John Bulger, Ladies Auxiliary President - Audrey Borle, Branch Chaplain - Layman Don Brown, Town of Morinville - Mayor Art Stapleton, Members of RCMP Morinville Detachment who formed the Honour Guard, representing the Scout and Guide movement of Canada were Scout D. Robinson and Guide L. Jacobs who read the scriptures on this occasion. Com-

rade Bulger then welcomed those attending on behalf of the Branch membership. Mayor Art Stapleton, himself a veteran then gave timely remarks on loyalty in keeping with the memory of so many Canadians who gave of their lives for the peace we share today.

Following the indoor services, Branch #176 and L.A. members, and members of other clubs, and the community at large formed up for the parade from Legion Hall through streets of Morinville and returned to the Cenotaph for the wreath laying ceremonies. The following wreaths were laid for and by: RCMP Cst. Desjardin, Town of Morinville - Mayor Art Stapleton, Branch #176 RCL, Comrade Bulger, Branch #176 L.A. - Audrey Borle, Morinville Scouts and Cub - Scout and Cub, Mothers Local - Guide and Brownie, Lions Club - Doug Ramer, Calders Agency - Doreen Calder, Morinville Bakery - Comrade Brochu, Morinville Trailer Park - Ed Kryskow, Bruce Campbell Family - Bruce Campbell, McGinnis Realty - Comrade McGinnis, Redlac Const. - Doreen

Calder, Morinville Hotel - Pat Suley, and the following wreaths were laid by Legion members on behalf of the following: Craig's Manufacturing, Lil's Beautyette, Tom Houle's Trucking, Vintage Contractors, Elite Carpet, Grandin Medical Centre (Morinville Branch), Quinn's Plumbing and Heating, Len Gibeault (Morinville Imperial Esso), Morinville - Drug, Morinville IGA, Ferd's Tire Shop, Marco Welding, Bert's Auto Centre, Wild Roy's Drive-in, staff of Morinville Savings and Credit Union, Beaver Lumber Co. and staff, Morinville Hardware, Morinville Super "A", WW Farm Equipment, Calgary Power staff (Morinville Branch), Butt's Auto Body, Frontiersman Hotel staff, Morinville Motors, Frontiersman Restaurant, and Quintar Holdings.

Following the wreath laying ceremonies, the parade was dismissed and all those attending were invited to Legion Hall for coffee, hot chocolate and cookies prepared and served by members wives.

The executive and members of Branch #176 would

like to thank the following who gave of their leisure time to participate in our annual Remembrance Day services: All members of RCL and L.A. Branch #176, Members of RCMP Local Detachment, Morinville Town officials - Lions Club, Scouts, Cubs, Guides, Brownies, Members of Edmonton Legion Branches, and citizens of Morinville. A special thanks to our own Morinville Drum and Bugle Band, and to Miss Carmen Schafers who all did a splendid job. Thanks to all of you.

From 1 p.m. to 5:30 p.m., an informal "Open House" was held at Legion Hall, with refreshments and lunch being served. Much time was spent by old friends and acquaintances reminiscing. Legion members from St. Albert and Edmonton branches plus members of the

Canadian Armed Forces were on hand to visit our Branch on this special day.

The Branch's Poppy and Wreath campaign was very successful this year thanks to the generosity of individuals and business establishments of Morinville and surrounding area. I would like to personally thank the four members of the St. Albert Air Cadet Squadron who by their efforts contributed in a large way to the success of our Poppy Blitz held on November 8.

Upcoming events at the Morinville Legion Hall are Nov. 23 - Grey Cup Day with prizes, food and refreshments, tickets available from Ken (Dief) Gowler at 939-4421. In early December, there will be an auction sale with proceeds going towards renovations presently underway.

Thank You

CARL E. ROGERS

Due to the current postal strike we are unable to send personal Thank You cards and letters but we didn't want to wait to express our sincerest appreciation to so many wonderful people. To the palbearers (Mel, Mike, Laurence, Vic, Neville, Cliff, Carl and Henry) to Bernice and all the people from the Manola community for the wonderful lunch, please accept this as a personal thank you from our family. We received so many beautiful flowers and cards and we would also like to thank that over \$400.00 was donated to the Manola Cemetery Fund in Carl's memory.

We all know how Carl loved people and during these past days it was so apparent that people thought equally as well of him.

With our love and gratitude,
Evelyn, Randy, Millie, Mona,
Ruth, Ray and Girls.

'For the Good Times'

NOVEMBER 21 and 22 - GREAT SPIRIT

By Marg Bentz

Central Sturgeon Agricultural Society held their annual meeting in the Rec. Centre, Wednesday, November 12. Past-president Lisle Kivell told the meeting the Multi-Purpose Building in Morinville would cost \$420,000 when completed. When the final grants are received, it should leave the Ag. Society with a mortgage of \$220,000. The new building has had the name Agriplex tentatively applied to it, but no decision will be made until the first board meeting in January, 1976, to allow more public input.

Ross Quinn was elected president for the new term by acclamation. Fourteen directors were elected from a slate of 18 candidates, brought forward by the nomination committee; there

were no nominations from the floor. Elected as directors were: Ed Kryskow, Mary Hittinger, Eugene Jeffroy, Howard Lamb, Ron Cust, Paulette Houle, Ken McKenzie, Octave Himschoot, Neil Stewart, Maurice Van Brabant, Paul Krauskopf, Maurice Rousseau, Matt Hittinger and Allan Bentz.

Immediately after the general meeting, a meeting of the board was held and executive positions were filled. They are: Paulette Houle, treasurer; Mary Hittinger, secretary; Ed Kryskow, vice-president; Maurice Van Brabant, vice-president.

Public meetings are held the first Wednesday of each month at the Cunningham School and interested parties should attend.

Villeneuve 4H Craft news

The first meeting of the new season for the Villeneuve 4H Craft Club, newly formed last year, was held October 15; when election of officers took place.

Janice Kromer is the new president, Vernice Soelaert, vice-president; Joan Coyes, secretary; Frances Lemä, treasurer. Club reporter is Pam Henry and Michelle Gagne is the social convener. Joan Coyes, Donna Bokendorf and Michelle Gagne received the T. Eaton Award

for the 1974-75 year - three craft books.

The club will be holding its annual turkey bingo and Italian raffle on December 7 at 7:30 p.m. in the Villeneuve Hall, to which everyone is invited. Proceeds will sponsor a community Valentine dance.

Vernice and Pam are to appear on CFBN-TV on Sunday, November 23 at 9:30 on the station's "Crafts as Gifts" show.
